Introduced by M. of A. CLARK -- read once and referred to the Committee  
on Codes

AN ACT to amend the penal law, in relation to a scheme to defraud in  
obtaining a credit loan secured by an interest in real property

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-  
BLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative findings. The legislature has found that many  
2     senior citizens and minority homeowners in New York have been targeted  
3     by unethical home improvement contractors and finance companies who are  
4     selling them high interest and fraudulently obtained mortgages. In order  
5     to entice senior and minority homeowners to take these loans, the  
6     contractors and finance companies offer to refinance primary mortgages,  
7     consolidate loans and outstanding bills, and give the mortgagor cash at  
8     the loan's closing. In most instances the homeowner is unaware that he  
9     or she is taking out a mortgage on his or her house and that a default  
10    in payment will lead to a foreclosure. In addition, many of these senior  
11    and minority homeowners live on a fixed income and are unable to make  
12    any loan payments because the monthly payment exceeds his or her income.  
13    The legislature further finds that unethical finance companies have  
14    engaged in a pattern and practice of refinancing these mortgages, which  
15    further decreases the senior and minority homeowners equity in his or  
16    her home. These loans often contain exorbitant points, high interest  
17    rates, and have monthly payments that exceed the homeowners income. In  
18    most instances, senior and minority homeowners are unable to pay these  
19    mortgages and lose their home to foreclosure.  
20    The legislature further finds that communities that consist of predom-  
21    inantly senior and minority homeowners have been specifically targeted  
22    for this crime.  
23    S 2. The penal law is amended by adding a new section 190.62 to read  
24    as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets  
[ ] is old law to be omitted.
