AN ACT to amend the education law, in relation to establishing a geometry and algebra II/trigonometry regents prep course for New York school districts that have less than sixty-five percent of their students passing the geometry and algebra II/trigonometry regents

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings. The legislature hereby finds that it is necessary to increase the percentage of students passing the geometry and algebra II/trigonometry regents in New York school districts. The geometry and algebra II/trigonometry regents examination for high school students is one of five major regents examinations required for high school students to obtain a general high school diploma. The legislature further finds that over twenty counties have averaged less than sixty-five percent of their students passing the geometry and algebra II/trigonometry regents examination. The legislature therefore enacts this legislation establishing a geometry and algebra II/trigonometry regents prep course to prepare students for the mathematics regents by reviewing previous regents exams and materials.

S 2. The education law is amended by adding a new section 817 to read as follows:

S 817. GEOMETRY AND ALGEBRA II/TRIGONOMETRY REGENTS PREP COURSE. 1. THE COMMISSIONER, IN COOPERATION WITH THE BOARD OF REGENTS, IS AUTHORIZED AND DIRECTED TO ESTABLISH AND DEVELOP A PROGRAM FOR THE PREPARATION OF THE GEOMETRY AND ALGEBRA II/TRIGONOMETRY REGENTS EXAMINATION. S 3. This act shall take effect September 1, 2016; provided, however, that any rules or regulations necessary to implement the provisions of this act shall be promulgated on or before such date.
