- S 2. Section 3001 of the public health law is amended by adding a new subdivision 22 to read as follows:
 - 22. "OPERATE" MEANS WITH RESPECT TO AN AMBULANCE RECEIVING PATIENTS.
- S 3. Subdivision 1 of section 3010 of the public health law, as amended by chapter 588 of the laws of 1993, is amended to read as follows:
- 1. Every ambulance service certificate or statement of registration issued under this article shall specify the primary territory within which the ambulance service shall be permitted to operate. An ambulance service shall receive patients only within the primary territory specified on its ambulance service certificate or statement of registration, except: (a) when receiving a patient which it initially transported to a facility or location outside its primary territory; (b) as required for the fulfillment of a mutual aid agreement authorized by the regional council; (c) upon express approval of the department and the appropriate regional emergency medical services council for a maximum of sixty days if necessary to meet an emergency need; provided that in order to continue such operation beyond the sixty day maximum period necessary to meet an emergency need, the ambulance service must satisfy the require-
