31 of section 70.30 of the penal law, except to the extent authorized by
32 subdivision three of section 70.30 of the penal law.

33 S 3. Paragraph (b) of subdivision 2 of section 259-r of the executive
34 law, as amended by section 38-1 of subpart A of part C of chapter 62 of
35 the laws of 2011, is amended to read as follows:

36 (b) The commissioner, or the commissioner's designee, shall review the
37 diagnosis and may certify that the inmate is suffering from such termi-
38 nal condition, disease or syndrome and that the inmate is so debilitated
39 or incapacitated as to [create a reasonable probability that he or she
40 is physically or cognitively incapable of presenting any danger to soci-
41 ety] BE SEVERLY RESTRICTED IN HIS OR HER ABILITY TO SELF-AMBULATE OR TO
42 PERFORM SIGNIFICANT NORMAL ACTIVITIES OF DAILY LIVING. If the commis-
43 sioner does not so certify then the inmate shall not be referred to the
44 board for consideration for release on medical parole. If the commis-
45 sioner does so certify, then the commissioner shall, within seven work-
46 ing days of receipt of such diagnosis, refer the inmate to the board for
47 consideration for release on medical parole. However, no such referral
48 of an inmate to the board shall be made unless the inmate has been exam-
49 ined by a physician and diagnosed as having a terminal condition,
50 disease or syndrome as previously described herein at some time subse-
51 quent to such inmate's admission to a facility operated by the depart-
52 ment of correctional services.

53 S 4. Subdivision 4 of section 259-r of the executive law, as amended
54 by section 38-1 of subpart A of part C of chapter 62 of the laws of
55 2011, is amended to read as follows:

1 4. (a) THE BOARD SHALL, UPON RECEIPT OF CERTIFICATION FROM THE COMMIS-
2 SIONER, INDEPENDENTLY DETERMINE WHETHER THE CONDITIONS UNDER WHICH THE
3 INMATE WOULD BE RELEASED CREATES A REASONABLE PROBABILITY THAT HE OR SHE
4 IS PHYSICALLY OR COGNITIVELY INCAPABLE OF PRESENTING A DANGER TO SOCIE-
5 TY. THE BOARD SHALL PROVIDE A DETERMINATION OF RELEASE WITHIN THIRTY
6 DAYS UPON RECEIPT OF CERTIFICATION FROM THE COMMISSIONER.

7 (B) Medical parole granted pursuant to this section shall be for a
8 period of six months.

9 [(b)] (C) The board shall require as a condition of release on medical
10 parole that the releasee agree to remain under the care of a physician
11 while on medical parole and in a hospital established pursuant to arti-
12 cle twenty-eight of the public health law, a hospice established pursu-
13 ant to article forty of the public health law or any other placement
14 that can provide appropriate medical care as specified in the medical
15 discharge plan required by subdivision two of this section. The medical
16 discharge plan shall state that the availability of the placement has
17 been confirmed, and by whom. Notwithstanding any other provision of law,
18 when an inmate who qualifies for release under this section is cogni-
19 tively incapable of signing the requisite documentation to effectuate
20 the medical discharge plan and, after a diligent search no person has
21 been identified who could otherwise be appointed as the inmate's guardi-
22 an by a court of competent jurisdiction, then, solely for the purpose of
23 implementing the medical discharge plan, the facility health services
24 director at the facility where the inmate is currently incarcerated
25 shall be lawfully empowered to act as the inmate's guardian for the
26 purpose of effectuating the medical discharge.

27 [(c)] (D) Where appropriate, the board shall require as a condition of
28 release that medical parolees be supervised on intensive caseloads at
29 reduced supervision ratios.

30 [(d)] (E) The board shall require as a condition of release on medical
31 parole that the releasee undergo periodic medical examinations and a
32 medical examination at least one month prior to the expiration of the
33 period of medical parole and, for the purposes of making a decision
34 pursuant to paragraph [(e)] (F) of this subdivision, that the releasee
35 provide the board with a report, prepared by the treating physician, of
36 the results of such examination. Such report shall specifically state
37 whether or not the parolee continues to suffer from a terminal condi-
38 tion, disease, or syndrome, and to be so debilitated or incapacitated as
39 to be severely restricted in his or her ability to self-ambulate or to
40 perform significant normal activities of daily living.

41 [(e)] (F) Prior to the expiration of the period of medical parole the
42 board shall review the medical examination report required by paragraph
43 [(d)] (E) of this subdivision and may again grant medical parole pursu-
44 ant to this section; provided, however, that the provisions of paragraph
45 (c) of subdivision one and subdivision two of this section shall not
46 apply.

47 [(f)] (G) If the updated medical report presented to the board states
48 that a parolee released pursuant to this section is no longer so debili-
49 tated or incapacitated as to create a reasonable probability that he or
50 she is physically or cognitively incapable of presenting [any] A danger
51 to society or if the releasee fails to submit the updated medical report
52 then the board may not make a new grant of medical parole pursuant to
53 paragraph [(e)] (F) of this subdivision. Where the board has not granted
54 medical parole pursuant to such paragraph [(e)] (F) the board shall
55 promptly conduct through one of its members, or cause to be conducted by
56 a hearing officer designated by the board, a hearing to determine wheth-

1 er the releasee is suffering from a terminal condition, disease or
2 syndrome and is so debilitated or incapacitated as to create a reason-
3 able probability that he or she is physically or cognitively incapable
4 of presenting [any danger to society and does not present] a danger to
5 society. If the board makes such a determination then it may make a new
6 grant of medical parole pursuant to the standards of paragraph (b) of
7 subdivision one of this section. At the hearing, the releasee shall have
8 the right to representation by counsel, including the right, if the
9 releasee is financially unable to retain counsel, to have the appropri-
10 ate court assign counsel in accordance with the county or city plan for
11 representation placed in operation pursuant to article eighteen-B of the
12 county law.

13 [(g)] (H) The hearing and determination provided for by paragraph
14 [(f)] (G) of this subdivision shall be concluded within the six month
15 period of medical parole. If the board does not renew the grant of
16 medical parole, it shall order that the releasee be returned immediately
17 to the custody of the department.

18 [(h)] (I) In addition to the procedures set forth in paragraph [(f)]
19 (G) of this subdivision, medical parole may be revoked at any time upon
20 any of the grounds specified in paragraph (a) of subdivision three of
21 section two hundred fifty-nine-i of this article, and in accordance with
22 the procedures specified in subdivision three of section two hundred
23 fifty-nine-i of this article.

24 [(i)] (J) A releasee who is on medical parole and who becomes eligible
25 for parole pursuant to the provisions of subdivision two of section two
26 hundred fifty-nine-i of this article shall be eligible for parole
27 consideration pursuant to such subdivision.

28 S 5. Paragraph (a) of subdivision 1 of section 259-s of the executive
29 law, as amended by section 38-m of subpart A of part C of chapter 62 of
30 the laws of 2011, is amended to read as follows:

31 (a) The board shall have the power to release on medical parole any
32 inmate serving an indeterminate or determinate sentence of imprisonment
33 who, pursuant to subdivision two of this section, has been certified to
34 be suffering from a significant and permanent non-terminal condition,
35 disease or syndrome that has rendered the inmate so physically or cogni-
36 tively debilitated or incapacitated as to create a reasonable probabili-
37 ty that he or she does not present [any] A danger to society, provided,
38 however, that no inmate serving a sentence imposed upon a conviction for
39 murder in the first degree or an attempt or conspiracy to commit murder
40 in the first degree shall be eligible for such release, and provided
41 further that no inmate serving a sentence imposed upon a conviction for
42 any of the following offenses shall be eligible for such release unless
43 in the case of an indeterminate sentence he or she has served at least
44 one-half of the minimum period of the sentence and in the case of a
45 determinate sentence he or she has served at least one-half of the term
46 of his or her determinate sentence: murder in the second degree,
47 manslaughter in the first degree, any offense defined in article one
48 hundred thirty of the penal law or an attempt to commit any of these
49 offenses. Solely for the purpose of determining medical parole eligibil-
50 ity pursuant to this section, such one-half of the minimum period of the
51 indeterminate sentence and one-half of the term of the determinate
52 sentence shall not be credited with any time served under the jurisdic-
53 tion of the department prior to the commencement of such sentence pursu-
54 ant to the opening paragraph of subdivision one of section 70.30 of the
55 penal law or subdivision two-a of section 70.30 of the penal law, except

1 to the extent authorized by subdivision three of section 70.30 of the
2 penal law.

3 S 6. Paragraph (b) of subdivision 2 of section 259-s of the executive
4 law, as amended by section 38-m of subpart A of part C of chapter 62 of
5 the laws of 2011, is amended to read as follows:

6 (b) The commissioner, or the commissioner's designee, shall review the
7 diagnosis and may certify that the inmate is suffering from such condi-
8 tion, disease or syndrome and that the inmate is so debilitated or inca-
9 pacitated as to [create a reasonable probability that he or she is phys-
10 ically or cognitively incapable of presenting any danger to society] BE
11 SEVERELY RESTRICTED IN HIS OR HER ABILITY TO SELF-AMBULATE OR TO PERFORM
12 SIGNIFICANT NORMAL ACTIVITIES OF DAILY LIVING. If the commissioner does
13 not so certify then the inmate shall not be referred to the board for
14 consideration for release on medical parole. If the commissioner does
15 so certify, then the commissioner shall, within seven working days of
16 receipt of such diagnosis, refer the inmate to the board for consider-
17 ation for release on medical parole. However, no such referral of an
18 inmate to the board of parole shall be made unless the inmate has been
19 examined by a physician and diagnosed as having a condition, disease or
20 syndrome as previously described herein at some time subsequent to such
21 inmate's admission to a facility operated by the department.

22 S 7. Subdivision 4 of section 259-s of the executive law, as amended
23 by section 38-m of subpart A of part C of chapter 62 of the laws of
24 2011, is amended to read as follows:

25 4. (a) THE BOARD SHALL, UPON RECEIPT OF CERTIFICATION FROM THE COMMIS-
26 SIONER, INDEPENDENTLY DETERMINE WHETHER THE CONDITIONS UNDER WHICH THE
27 INMATE WOULD BE RELEASED CREATES A REASONABLE PROBABILITY THAT HE OR SHE
28 IS PHYSICALLY OR COGNITIVELY INCAPABLE OF PRESENTING A DANGER TO SOCIE-
29 TY. THE BOARD SHALL PROVIDE A DETERMINATION OF RELEASE WITHIN THIRTY
30 DAYS UPON RECEIPT OF CERTIFICATION FROM THE COMMISSIONER.

31 (B) Medical parole granted pursuant to this section shall be for a
32 period of six months.

33 [(b)] (C) The board shall require as a condition of release on medical
34 parole that the releasee agree to remain under the care of a physician
35 while on medical parole and in a hospital established pursuant to arti-
36 cle twenty-eight of the public health law, a hospice established pursu-
37 ant to article forty of the public health law or any other placement,
38 including a residence with family or others, that can provide appropri-
39 ate medical care as specified in the medical discharge plan required by
40 subdivision two of this section. The medical discharge plan shall state
41 that the availability of the placement has been confirmed, and by whom.
42 Notwithstanding any other provision of law, when an inmate who qualifies
43 for release under this section is cognitively incapable of signing the
44 requisite documentation to effectuate the medical discharge plan and,
45 after a diligent search no person has been identified who could other-
46 wise be appointed as the inmate's guardian by a court of competent
47 jurisdiction, then, solely for the purpose of implementing the medical
48 discharge plan, the facility health services director at the facility
49 where the inmate is currently incarcerated shall be lawfully empowered
50 to act as the inmate's guardian for the purpose of effectuating the
51 medical discharge.

52 [(c)] (D) Where appropriate, the board shall require as a condition of
53 release that medical parolees be supervised on intensive caseloads at
54 reduced supervision ratios.

55 [(d)] (E) The board shall require as a condition of release on medical
56 parole that the releasee undergo periodic medical examinations and a

1 medical examination at least one month prior to the expiration of the
2 period of medical parole and, for the purposes of making a decision
3 pursuant to paragraph [(e)] (F) of this subdivision, that the releasee
4 provide the board with a report, prepared by the treating physician, of
5 the results of such examination. Such report shall specifically state
6 whether or not the parolee continues to suffer from a significant and
7 permanent non-terminal and debilitating condition, disease, or syndrome,
8 and to be so debilitated or incapacitated as to be severely restricted
9 in his or her ability to self-ambulate or to perform significant normal
10 activities of daily living.

11 [(e)] (F) Prior to the expiration of the period of medical parole the
12 board shall review the medical examination report required by paragraph
13 [(d)] (E) of this subdivision and may again grant medical parole pursu-
14 ant to this section; provided, however, that the provisions of paragraph
15 (c) of subdivision one and subdivision two of this section shall not
16 apply.

17 [(f)] (G) If the updated medical report presented to the board states
18 that a parolee released pursuant to this section is no longer so debili-
19 tated or incapacitated as to create a reasonable probability that he or
20 she is physically or cognitively incapable of presenting [any] A danger
21 to society or if the releasee fails to submit the updated medical report
22 then the board may not make a new grant of medical parole pursuant to
23 paragraph [(e)] (F) of this subdivision. Where the board has not granted
24 medical parole pursuant to [such] paragraph [(e)] (F) OF THIS SUBDIVI-
25 SION the board shall promptly conduct through one of its members, or
26 cause to be conducted by a hearing officer designated by the board, a
27 hearing to determine whether the releasee is suffering from a signif-
28 icant and permanent non-terminal and incapacitating condition, disease
29 or syndrome and is so debilitated or incapacitated as to create a
30 reasonable probability that he or she is physically or cognitively inca-
31 pable of presenting [any danger to society and does not present] a
32 danger to society. If the board makes such a determination then it may
33 make a new grant of medical parole pursuant to the standards of para-
34 graph (b) of subdivision one of this section. At the hearing, the
35 releasee shall have the right to representation by counsel, including
36 the right, if the releasee is financially unable to retain counsel, to
37 have the appropriate court assign counsel in accordance with the county
38 or city plan for representation placed in operation pursuant to article
39 eighteen-B of the county law.

40 [(g)] (H) The hearing and determination provided for by paragraph
41 [(f)] (G) of this subdivision shall be concluded within the six month
42 period of medical parole. If the board does not renew the grant of
43 medical parole, it shall order that the releasee be returned immediately
44 to the custody of the department of correctional services.

45 [(h)] (I) In addition to the procedures set forth in paragraph [(f)]
46 (G) of this subdivision, medical parole may be revoked at any time upon
47 any of the grounds specified in paragraph (a) of subdivision three of
48 section two hundred fifty-nine-i of this article, and in accordance with
49 the procedures specified in subdivision three of section two hundred
50 fifty-nine-i of this article.
