The division shall, by rule or regulation, prescribe procedures to ensure that the DNA record in the state DNA identification index, and any samples, analyses, or other documents relating to such record, whether in the possession of the division, or any law enforcement or police agency, or any forensic DNA laboratory, including any duplicates or copies thereof, at the discretion of the possessor thereof, are either destroyed or returned to such individual, or to the attorney who represented him or her at the time such reversal, vacatur or pardon, was granted.
