Introduced by M. of A. MOYA -- read once and referred to the Committee  
on Economic Development

AN ACT to amend the alcoholic beverage control law, in relation to  
authorizing the creation of an alcoholic beverage control board in and  
by the city of New York

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-  
BLY, DO ENACT AS FOLLOWS:

1     Section 1. Declaration of legislative findings and intent. The legis-  
2     lature hereby finds, determines and declares that it is a matter of  
3     state concern and in the interest of the people of the state to author-  
4     ize the establishment of a city liquor authority in and by the city of  
5     New York. The need for self-regulation of the sale of alcoholic beverag-  
6     es by the city of New York is well documented. There are too many estab-  
7     lishments in close proximity to each other that engage in the sale of  
8     alcoholic beverages. This has resulted in an increase in noise, traffic,  
9     litter, and criminal activities, especially late at night. Consequent-  
10    ly, the quality of life in neighborhoods within the city of New York has  
11    deteriorated. Therefore, the legislature finds and declares that the  
12    creation of a city liquor authority would enable the city of New York to  
13    more effectively and efficiently monitor these establishments and  
14    enforce the alcoholic beverage control law. The legislature further  
15    finds and declares that the creation of a city liquor authority will  
16    help improve the quality of life in the city of New York as well as  
17    insure compliance with other applicable laws.

18    It is the intent of the legislature to hereby authorize the establish-  
19    ment of a city liquor authority in and by the city of New York in order  
20    to provide proper and adequate enforcement of the alcoholic beverage  
21    control law.

22    S 2. The alcoholic beverage control law is amended by adding a new  
23    article 3 to read as follows:

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets  
[ ] is old law to be omitted.
