AN ACT to amend the not-for-profit corporation law and the education law, in relation to the discovery and disposition of human remains and funerary objects; and to amend the parks, recreation and historic preservation law, in relation to requiring certain notice and consultation prior to the undertaking of certain projects

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "unmarked burial site protection act".
3 S 2. Legislative findings and declaration. The legislature finds and
4 declares that the sanctity of human burial sites is an intrinsic and
5 paramount value among all cultural and religious traditions which prac-
6 tice the custom of burying the dead. The legislature further finds that
7 there are numerous unmarked burial sites throughout the state, many of
8 which are of great cultural and historical significance to the people of
9 the state, particularly to members of the cultural and religious groups
10 affiliated with them. Such sites are vulnerable to unintentional
11 disturbance in the course of construction and other activities as well
12 as deliberate vandalism and looting. Such disturbance constitutes a
13 severe offense against the descendants of the dead and the beliefs and
14 traditions of the culturally-affiliated groups.
15 The legislature finds and declares that existing laws are inadequate
16 to protect these unmarked burial sites from disturbance, and that New
17 York is one of the very few states which heretofore has provided no
18 express statutory protection for unmarked burial sites. It is therefore

[] is old law to be omitted.

declared to be the purpose of this act to ensure that human remains and associated funerary artifacts remain undisturbed to the maximum extent practicable, and are treated with the utmost respect consistent with the wishes of lineal descendants and culturally-affiliated groups.
