FISCAL NOTE.--This bill would allow parole officers, parole revocation specialists or warrant officers in the Department of Corrections and Community Supervision who are peace officers to retire upon completion of twenty-five (25) years of creditable service. For all eligible officers, their benefit upon retirement would be an allowance of one-half final average salary. There would be no reduction for early service retirement.

If this bill is enacted, we anticipate that there will be an increase of approximately \$1.5 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2014.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$9.72 million which would be borne by the State of New York. This estimate is based on the assumption that payment will be made on March 1, 2014. If this cost is amortized over a ten year period, the cost for the first year, including interest would be approximately \$1.32 million.

These estimated costs are based on 1,081 known affected officers having a total estimated annual salary for the fiscal year ending March 31, 2013 of approximately \$85 million.
