2 culture, floriculture, viticulture or commercial fishing, (ii) indus-  
3 trial waste treatment facilities or air pollution control facilities,  
4 used in the taxpayer's trade or business OR BUSINESS INVESTMENTS MADE BY  
5 DRY CLEANING BUSINESSES TO ACHIEVE POLLUTION PREVENTION INCLUDING  
6 INVESTMENTS INTO CHANGES IN FACILITY PROCESSES OR OPERATIONS METHODS,  
7 (iii) research and development property, (iv) principally used in the  
8 ordinary course of the taxpayer's trade or business as a broker or deal-  
9 er in connection with the purchase or sale (which shall include but not  
10 be limited to the issuance, entering into, assumption, offset, assign-  
11 ment, termination, or transfer) of stocks, bonds or other securities as  
12 defined in section four hundred seventy-five (c)(2) of the Internal  
13 Revenue Code, or of commodities as defined in section 475(e) of the  
14 Internal Revenue Code, (v) principally used in the ordinary course of  
15 the taxpayer's trade or business of providing investment advisory  
16 services for a regulated investment company as defined in section eight  
17 hundred fifty-one of the Internal Revenue Code, or lending, loan  
18 arrangement or loan origination services to customers in connection with  
19 the purchase or sale (which shall include but not be limited to the  
20 issuance, entering into, assumption, offset, assignment, termination, or  
21 transfer) of securities as defined in section four hundred seventy-five  
22 (c)(2) of the Internal Revenue Code, or (vi) principally used as a qual-  
23 ified film production facility including qualified film production  
24 facilities having a situs in an empire zone designated as such pursuant  
25 to article eighteen-B of the general municipal law, where the taxpayer  
26 is providing three or more services to any qualified film production  
27 company using the facility, including such services as a studio lighting  
28 grid, lighting and grip equipment, multi-line phone service, broadband  
29 information technology access, industrial scale electrical capacity,  
30 food services, security services, and heating, ventilation and air  
31 conditioning. For purposes of clauses (iv) and (v) of this subparagraph,  
32 property purchased by a taxpayer affiliated with a regulated broker,  
33 dealer, or registered investment adviser is allowed a credit under this  
34 subsection if the property is used by its affiliated regulated broker,  
35 dealer or registered investment adviser in accordance with this  
36 subsection. For purposes of determining if the property is principally  
37 used in qualifying uses, the uses by the taxpayer described in clauses  
38 (iv) and (v) of this subparagraph may be aggregated. In addition, the  
39 uses by the taxpayer, its affiliated regulated broker, dealer and regis-  
40 tered investment adviser under either or both of those clauses may be  
41 aggregated. Provided, however, a taxpayer shall not be allowed the cred-  
42 it provided by clauses (iv) and (v) of this subparagraph unless (I)  
43 eighty percent or more of the employees performing the administrative  
44 and support functions resulting from or related to the qualifying uses  
45 of such equipment are located in this state, or (II) the average number  
46 of employees that perform the administrative and support functions  
47 resulting from or related to the qualifying uses of such equipment and  
48 are located in this state during the taxable year for which the credit  
49 is claimed is equal to or greater than ninety-five percent of the aver-  
50 age number of employees that perform these functions and are located in  
51 this state during the thirty-six months immediately preceding the year  
52 for which the credit is claimed, or (III) the number of employees  
53 located in this state during the taxable year for which the credit is  
54 claimed is equal to or greater than ninety percent of the number of  
55 employees located in this state on December thirty-first, nineteen  
56 hundred ninety-eight or, if the taxpayer was not a calendar year taxpay-

1 er in nineteen hundred ninety-eight, the last day of its first taxable  
2 year ending after December thirty-first, nineteen hundred ninety-eight.  
3 If the taxpayer becomes subject to tax in this state after the taxable  
4 year beginning in nineteen hundred ninety-eight, then the taxpayer is  
5 not required to satisfy the employment test provided in the preceding  
6 sentence of this subparagraph for its first taxable year. For the  
7 purposes of clause (III) of this subparagraph the employment test will  
8 be based on the number of employees located in this state on the last  
9 day of the first taxable year the taxpayer is subject to tax in this  
10 state. If the uses of the property must be aggregated to determine  
11 whether the property is principally used in qualifying uses, then either  
12 each affiliate using the property must satisfy this employment test or  
13 this employment test must be satisfied through the aggregation of the  
14 employees of the taxpayer, its affiliated regulated broker, dealer, and  
15 registered investment adviser using the property. For purposes of this  
16 subsection, the term "goods" shall not include electricity.

17 S 3. Subparagraph (B) of paragraph 2 of subsection (a) of section 606  
18 of the tax law is amended by adding three new clauses (vi), (vii) and  
19 (viii) to read as follows:

20 (VI) POLLUTION PREVENTION SHALL MEAN CHANGES IN PRODUCTION METHODS OR  
21 RAW MATERIALS THAT REDUCE, AVOID OR ELIMINATE THE USE OF TOXIC OR  
22 HAZARDOUS SUBSTANCES OR THE GENERATION OF SUCH SUBSTANCES OR POLLUTANTS  
23 PER UNIT OF PRODUCT, SO AS TO REDUCE RISKS TO THE HEALTH OF WORKERS,  
24 CONSUMERS OR THE ENVIRONMENT, WITHOUT SHIFTING RISKS BETWEEN WORKERS,  
25 CONSUMERS OR ENVIRONMENTAL MEDIA. POLLUTION PREVENTION INCLUDES THE  
26 REDESIGN, MODIFICATION, UPGRADE OR REPLACEMENT OF PRODUCTION PROCESSES,  
27 EQUIPMENT OR TECHNOLOGY; REFORMULATION OR REDESIGN OF PRODUCTS, SUBSTI-

29 TRAINING OR INVENTORY CONTROL; AND EXTENDED USE OR REUSE OF MATERIALS  
30 THROUGH METHODS INTEGRAL TO THE PRODUCTION PROCESS, SUCH AS  
31 IN-PROCESS, CLOSED-LOOP RECYCLING. SUCH TERM DOES NOT INCLUDE INCINERATION,

48 pursuant to section one hundred sixty-seven of the internal revenue  
49 code, have a useful life of four years or more, are acquired by purchase  
50 as defined in section one hundred seventy-nine (d) of the internal  
51 revenue code, have a situs in this state and are (A) principally used by  
52 the taxpayer in the production of goods by manufacturing, processing,  
53 assembling, refining, mining, extracting, farming, agriculture, horticulture,  
54 floriculture, viticulture or commercial fishing, (B) industrial waste  
55 treatment facilities or air pollution control facilities, used in

14 Code, or lending, loan arrangement or loan origination services to  
15 customers in connection with the purchase or sale (which shall include  
16 but not be limited to the issuance, entering into, assumption, offset,  
17 assignment, termination, or transfer) of securities as defined in  
18 section four hundred seventy-five (c)(2) of the Internal Revenue Code,  
19 (F) principally used in the ordinary course of the taxpayer's business  
20 as an exchange registered as a national securities exchange within the  
21 meaning of sections 3(a)(1) and 6(a) of the Securities Exchange Act of  
22 1934 or a board of trade as defined in section 1410(a)(1) of the New  
23 York Not-for-Profit Corporation Law or as an entity that is wholly owned  
24 by one or more such national securities exchanges or boards of trade and  
25 that provides automation or technical services thereto, or (G) princi-  
26 pally used as a qualified film production facility including qualified  
27 film production facilities having a situs in an empire zone designated

31 studio lighting grid, lighting and grip equipment, multi-line phone  
32 service, broadband information technology access, industrial scale elec-  
33 trical capacity, food services, security services, and heating, venti-  
34 lation and air conditioning. For purposes of clauses (D), (E) and (F) of  
35 this subparagraph, property purchased by a taxpayer affiliated with a  
36 regulated broker, dealer, registered investment adviser, national secu-  
37 rities exchange or board of trade, is allowed a credit under this subdivi-  
38 sion if the property is used by its affiliated regulated broker, deal-  
39 er, registered investment adviser, national securities exchange or board  
40 of trade in accordance with this subdivision. For purposes of determin-  
41 ing if the property is principally used in qualifying uses, the uses by  
42 the taxpayer described in clauses (D) and (E) of this subparagraph may  
43 be aggregated. In addition, the uses by the taxpayer, its affiliated  
44 regulated broker, dealer, and registered investment adviser under either  
45 or both of those clauses may be aggregated. Provided, however, a  
46 taxpayer shall not be allowed the credit provided by clauses (D), (E)  
47 and (F) of this subparagraph unless (I) eighty percent or more of the  
48 employees performing the administrative and support functions resulting  
49 from or related to the qualifying uses of such equipment are located in  
50 this state or (II) the average number of employees that perform the  
51 administrative and support functions resulting from or related to the  
52 qualifying uses of such equipment and are located in this state during  
53 the taxable year for which the credit is claimed is equal to or greater  
54 than ninety-five percent of the average number of employees that perform  
55 these functions and are located in this state during the thirty-six  
56 months immediately preceding the year for which the credit is claimed,

1 or (III) the number of employees located in this state during the taxa-  
2 ble year for which the credit is claimed is equal to or greater than  
3 ninety percent of the number of employees located in this state on  
4 December thirty-first, nineteen hundred ninety-eight or, if the taxpayer  
5 was not a calendar year taxpayer in nineteen hundred ninety-eight, the  
6 last day of its first taxable year ending after December thirty-first,  
7 nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in  
8 this state after the taxable year beginning in nineteen hundred ninety-  
9 eight, then the taxpayer is not required to satisfy the employment test  
10 provided in the preceding sentence of this subparagraph for its first  
11 taxable year. For purposes of clause (III) of this subparagraph the  
12 employment test will be based on the number of employees located in this  
13 state on the last day of the first taxable year the taxpayer is subject  
14 to tax in this state. If the uses of the property must be aggregated to  
15 determine whether the property is principally used in qualifying uses,  
16 then either each affiliate using the property must satisfy this employ-  
17 ment test or this employment test must be satisfied through the aggre-  
18 gation of the employees of the taxpayer, its affiliated regulated

20 For purposes of this subdivision, the term "goods" shall not include  
21 electricity.

28 PER UNIT OF PRODUCT, SO AS TO REDUCE RISKS TO THE HEALTH OF WORKERS,  
29 CONSUMERS OR THE ENVIRONMENT, WITHOUT SHIFTING RISKS BETWEEN WORKERS,  
30 CONSUMERS OR ENVIRONMENTAL MEDIA. POLLUTION PREVENTION INCLUDES THE

53 effective date of section one of this act and shall apply to all equip-  
54 ment or machinery purchased on or after such date although purchased  
55 under a prior contract.
