FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow State University Police Officers to elect to transfer to the New York State and Local Police and Fire Retirement System and to be covered by the provisions of a new twenty-five (25) year half pay retirement plan, with additional one-sixtieths of final average salary for each year of service in excess of twenty-five (25) years, but not exceeding fifteen (15) such years. For Tiers 2, 5, and 6 members, the additional one-sixtieths can not exceed seven (7) such years. There will be no refund of Article 14 or Article 15 member contributions for officers who elect to transfer to the Police and Fire Retirement system.

If this bill is enacted, we anticipate that there will be an increase of approximately \$1.6 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2014.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$10.9 million which would be borne by the State of New York. This estimate is based on the assumption that payment will be made on March 1, 2014. If this cost is amortized over ten (10) years, the cost for the first year, including interest, would be approximately \$1.4 million.

It should be noted that in addition to the increase in annual contributions given above, there would be increases in annual contributions for future State University Police Officers who would be Tier 6 members of the New York State and Local Police and Fire Retirement System rather than Tier 6 members of the New York State and Local Employees' Retirement System.

These estimated costs are based on five hundred eighty-two (582) State University Police Officers with a total estimated salary of approximately \$41 million for the fiscal year ending March 31, 2013.
