2 amended by section 4 of part J of chapter 58 of the laws of 2014, is
3 amended to read as follows:

4 1. Social services districts shall make available vocational educa-

6 but need not be limited to, high school education or education designed
7 to prepare a participant for a high school equivalency certificate,
8 basic and remedial education, education in English proficiency, EDUCA-

10 (J-1) OF SUBDIVISION ONE OF SECTION THREE HUNDRED THIRTY-SIX OF THIS
11 TITLE, and no more than a total of four years of post-secondary educa-
12 tion (or the part-time equivalent). Educational activities pursuant to
13 this section may be offered with any of the following providers which
14 meet the performance or assessment standards established in regulations
15 by the commissioner for such providers: a community college, licensed
16 trade school, registered business school, or a two-year or four-year
17 college; provided, however, that such post-secondary education must be
18 necessary to the attainment of the participant's individual employment
19 goal as set forth in the employability plan and such goal must relate
20 directly to obtaining useful employment in a recognized occupation. When

34 of a relative of the student or other extenuating circumstances. Any
35 enrollment in post-secondary education beyond a twelve month period must
36 be combined with no less than twenty hours of participation averaged

40 it shall have become a law; provided, however, that the commissioner of
41 temporary and disability assistance is immediately authorized and
42 directed to promulgate, amend and/or repeal any rules and regulations
43 that may be necessary to implement the provisions of this act on its
44 effective date.
