38 trustees, it shall be presumed that such disability was incurred in the
39 performance and discharge of duty as the natural and proximate result of
40 an accident not caused by such member's own willful negligence, and that
41 the member would have been physically or mentally incapacitated for the
42 performance and discharge of duty of the position from which he or she
43 retired OR VESTED had the condition been known and fully developed at

17 or mentally incapacitated for the performance and discharge of duty of
18 the position from which he or she retired OR VESTED had the condition
19 been known and fully developed at the time of the member's retirement OR

45 shall be deemed to have died as a natural and proximate result of an
46 accident sustained in the performance of duty and not as a result of
47 willful negligence on his or her part. Such retiree's OR VESTEE'S

51 incurred in the performance and discharge of duty as the natural and
52 proximate result of an accident not caused by such member's own willful
53 negligence, and that the member would have been physically or mentally
54 incapacitated for the performance and discharge of duty of the position

37 member shall be deemed to have died as a natural and proximate result of

39 willful negligence on his or her part. Such member's eligible benefici-
