2013-2014 Regular Sessions

I N A S S E M B L Y

June 5, 2013

Introduced by M. of A. CUSICK -- read once and referred to the Committee
on Election Law

AN ACT to amend the election law, in relation to run-off elections in
the city of New York; and providing for the repeal of such provisions
upon the expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature finds and declares
2 that the effective and timely administration of local elections in the
3 city of New York is a matter of substantial state concern. In further-
4 ance of this concern, the legislature finds that it is essential to the
5 local democratic process to ensure that the board of elections in the
6 city of New York utilizes voting machines that allow for the timely and
7 orderly administration of elections. In order to modernize and update
8 the voting systems utilized in New York State, the legislature passed
9 the Election Reform and Modernization Act of 2005, which set forth
10 requirements for electronic voting systems, including optical scanning
11 voting machines, throughout the state. The implementation of these elec-
12 tronic voting systems has brought the state into conformance with
13 national standards for voting system performance and modernization. The
14 state has a substantial interest in ensuring that elections in the city
15 of New York are generally conducted with an electronic voting system
16 that meets the above mentioned statewide standards. At the same time,
17 the city of New York is uniquely situated in that a run-off primary is
18 required to be held two weeks after the local primary election in
19 certain circumstances. In recent elections administered with optical
20 scanning voting machines, approved by the state board of elections, it
21 has taken over two weeks for the board of elections in the city of New
22 York to finalize election results. A series of one-time and immediate
23 short-term changes to the current election law, as applied to the city
24 of New York, are therefore necessary to further the state's substantial

1 concerns and ensure that the 4.2 million registered voters in the city
2 of New York are able to exercise their voting rights in a timely and
3 orderly primary election and run-off election, should a run-off be
4 required.

6 laws of 2011, is amended to read as follows:
