2 finds, determines and declares the following:

4 public park continue to be a matter of importance to the state. As  
5 detailed in the 1998 law creating the park and the trust, chapter 592 of

9 public access to the river, allow for an array of cultural and recre-  
10 ational programs and provide a host of other public benefits. The limit-  
11 ed changes and additional rights provided by the amendment of the 1998  
12 law by this act are intended to be consistent with the park's general  
13 project plan as defined in chapter 592 of the laws of 1998, which  
14 continues to be the operative planning document guiding park develop-  
15 ment, protection and reuse of a portion of the Hudson River waterfront  
16 in lower Manhattan south of 59th street, and are intended to ensure the  
17 realization of that vision and the park's continuing viability for years  
18 to come. Nothing herein is intended to alter or override any prior  
19 determinations concerning park planning, development or operation.
