THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 Section 1. This act shall be known and may be cited as the "student
2 athlete bill of rights".
3 S 2. The Legislature finds and declares the following:
4 1. Meeting the educational needs of student athletes should be a
5 priority for intercollegiate athletic programs.
6 2. New York's institutions of higher education that participate in
7 Division I and Division II intercollegiate athletics collectively gener-
8 ate millions of dollars annually in media contracts, and this revenue
9 would not exist without the efforts of student athletes.
10 3. Student athletes generate large revenues for many athletic
11 programs, spend approximately forty hours per week participating in
12 their respective sports, and suffer current and historically low gradu-
13 ation rates.
14 4. Providing adequate health and safety protection for student
15 athletes can help prevent serious injury and death.
16 5. Current and former student athletes can be left to pay for medical
17 expenses incurred from injuries suffered while participating in inter-
18 collegiate athletics.
19 6. Institutions of higher education should provide their student
20 athletes with the same due process protection afforded to students who
21 do not participate in athletics.
22 7. Athletic programs in this state are subject to federal gender equi-
23 ty requirements under Title IX of the Education Amendments of 1972 (20
24 U.S.C. Sec. 1681 et seq.).
