Introduced by M. of A. GUNTHER -- read once and referred to the Committee on Mental Health

AN ACT to amend the mental hygiene law, the transportation law and the tax law, in relation to enacting the "integrated employment, economic development and safety net system for individuals with intellectual and developmental disabilities act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "integrated employment, economic development and safety net system
3 for individuals with intellectual and developmental disabilities act".
4 S 2. Legislative findings and intent. The legislature hereby finds and
5 declares that many citizens with intellectual and developmental disabilities
6 can be productive members of the general workforce in the state's
7 counties and that with planning, funding realignment, employer tax credits,
8 additional resources where necessary, and better coordination of
9 existing state, federal and rural resources, employment for such individuals
10 will increase significantly.
11 The legislature further finds and declares that because of age, severity
12 of disability or other factors, many individuals offered the opportunity
13 will be unable to participate in the general workforce. Therefore
14 there must continue to be a safety net employment system to provide
15 opportunities for such individuals to work alongside their peers with
16 and without disabilities.
17 Finally, the legislature recognizes that economy and efficiency are
18 best served by utilizing the existing and extensive infrastructure for
19 purposes of providing appropriate integrated employment and spurring
20 economic development.
