FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will allow four employees of the Village of Green Island -
Jill Alix, Chris Karwiel, Jessica Strizzi and Taryn Ward - to receive
retroactive dates of membership in the New York State and Local Employ-
ees' Retirement System, thereby making them Tier 4 members.

If this bill is enacted and all four members become covered under the
provisions of Tier 4, we anticipate that there will be an increase of
approximately \$4,800 in the annual contributions of the Village of Green
Island for the fiscal year ending March 31, 2015. There also will be an
increase of approximately \$2,800 in annual contributions of the State of
New York for the fiscal year ending March 31, 2015 on behalf of Taryn

Ward, who is currently employed by the State. In future years, this cost will vary as the billing rates and salary of the four affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$6,550 which would be borne by the Village of Green Island as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2015
