31 support thereof proposed by the board of trustees of the Starr Insti-
32 tute, then the district shall come into existence on the terms and
33 conditions set forth in this act.

34 2. In the event that the district is created, there shall be an annual
35 election conducted by the board of trustees of the Starr public library
36 district in accordance with the provisions of subdivision one of this
37 section at a time to be set by the board of trustees of the district, at
38 which election vacancies on the board of trustees shall be filled and at
39 which any proposed budget which the board shall determine to submit to
40 the voters pursuant to section four of this act shall be submitted to
41 the voters.

42 3. Candidates for the office of member of the board of trustees of the
43 Starr public library district shall be nominated by petition. No vacan-
44 cy to be filled on the board of trustees shall be considered a separate,
45 specific office. A separate petition shall be required to nominate each
46 candidate for a vacancy on the board. Each petition shall be directed to
47 the secretary of the board of trustees of the existing Starr Institute,
48 shall be signed by at least twenty-five qualified voters of the
49 district, shall state the residence of each signer, and shall state the
50 name and residence of the candidate. In the event that any such nominees
51 shall withdraw their candidacy prior to the election, such person shall
52 not be considered a candidate unless a new petition nominating such
53 person in the same manner and within the same time limitation applicable
54 to other candidates is filed with the secretary of the board of trustees
55 of the existing Starr Institute. Each petition shall be filed with the
56 secretary of the board of trustees of the existing Starr Institute,

1 between the hours of 9:00 a.m. and 5:00 p.m., not later than the thirti-

5 shall be filed with the secretary of the Starr public library district.

6 S 3. Organization and structure. The Starr public library district
7 shall be managed, operated, and controlled by a board of trustees
8 consisting of nine members. The trustees shall take office at the first
9 regular meeting of the board of trustees following their election. At
10 the first regular meeting of the board of trustees of the district, the
11 trustees shall determine when the terms of office of each member shall
12 expire as follows: the trustees receiving the first, second and third
13 highest number of votes shall each serve for three years, the trustees
14 receiving the fourth, fifth and sixth highest number of votes shall each
15 serve for two years, and the trustees receiving the seventh, eighth and
16 ninth highest number of votes shall each serve for one year. As vacan-
17 cies occur due to expiration of terms of office, trustees shall be
18 elected by the voters of the district at the election provided for by
19 this act to serve three year terms, such terms to commence at the first
20 regular meeting of the board of trustees of the district next following
21 their election. All other vacancies caused by resignation, removal,
22 death, or inability to serve shall be filled by appointment by the board
23 of trustees of the district until the next election, at which time the
24 vacancy shall be filled by election for the remaining portion of the
25 term. At any election where one or more persons are to be elected for
26 the unexpired portion of a term or terms, the candidate receiving the
27 largest number of votes shall be entitled to the full three year term
28 and the candidates receiving the next highest number of votes shall be
29 entitled, in decreasing order of the respective numbers of votes, to the
30 vacancy or vacancies, in decreasing order of the length of the unexpired
31 portion or portions of a term or terms. Only qualified voters of the
32 district shall be eligible for election to the board of trustees. The
33 board of trustees at its first meeting after each annual election shall
34 elect or appoint a president, vice-president, and a secretary, who shall
35 be members of the board, and a treasurer and such other officers as they
36 deem necessary. If the board so determines, the office of treasurer may
37 be held by an individual who is not a member of the board of trustees
38 and, in that event, such officer may, if the board so determines,
39 receive compensation as fixed by resolution of the board.

40 S 4. Finances. 1. The initial budget to support the district shall be
41 determined by a vote of the voters of the district in the initial
42 election as hereinafter provided for. All future budgets that increase
43 or decrease the district's proposed tax levy as compared to the tax levy
44 in the preceding fiscal year's budget shall be submitted to the resi-
45 dents voting at the annual election of trustees pursuant to section two
46 of this act. Funds voted for library purposes at the initial election
47 and at all future elections shall be considered an annual appropriation
48 therefor and shall be levied and collected yearly by the town for the
49 district in the same manner and at the same time as other taxes in the
50 town.

51 2. The district's fiscal year shall run from the first day of January
52 to the thirty-first day of December. The board of trustees of the
53 district shall annually file with the clerk of the town on or before the
54 first day of November an estimate of the proposed budget including costs
55 of library services to be raised by levy for the library district in the
56 fiscal year beginning on the first day of January of the next year. The

town shall not make any change in the estimate of revenues or expenditures submitted by the board of the district in preparation of its preliminary budget.

3. The town board of the town of Rhinebeck shall levy a tax against the real property lying within the district for the amount to be raised by tax as approved by the voters of the district. The town board shall pay the full amount of the tax levy approved by the voters over to the treasurer of the district pursuant to the schedule set forth in this section. The town board shall annually pay over to the treasurer of the district on or before the thirtieth day after its tax collection period ends, the full amount of the levy due. If necessary to meet this schedule, the town board may issue tax anticipation notes pursuant to article II of the local finance law to obtain the necessary moneys therefor.

4. The town board of the town shall have the power to authorize, sell, and issue bonds, notes, and other evidences of indebtedness pursuant to the local finance law in order to permit the district to provide facilities or improved facilities for library purposes. Upon written request from the board of trustees of the district, after approval by the qualified voters of such district, the town board shall authorize, sell, and issue such bonds, notes, or other evidences of indebtedness as are necessary to accomplish the improvements specified in the notice. The proceeds of such bonds, notes, or other evidences of indebtedness shall be paid to the treasurer of the district and maintained in a segregated account in accordance with section 165.00 of the local finance law and expended by the treasurer only on specific authorization by the board of trustees.

5. The board of trustees of the district may accept on behalf of the district any absolute gift, devise, or bequest of real or personal property and such conditional gifts, devises, or bequests as it shall by resolution approve.

6. The treasurer of the district shall be custodian of all funds of the district, including gifts and trust funds paid over to the trustees. The board of trustees may authorize the investment of funds in the custody of the treasurer in the same manner in which town funds may be invested. Proceeds of obligations received from the town may be invested in accordance with section 165.00 of the local finance law. The town of Rhinebeck shall promptly pay over to the district all monies which belong to or are raised for the district. No monies shall be disbursed by the treasurer of the district except after audit by the board of trustees. The board of trustees of the district shall audit all claims and shall order the payment thereof, except as otherwise provided by this section. No such claims shall be audited or ordered paid by the trustees unless an itemized voucher therefor shall be presented to the board of trustees for audit and allowance. The provisions of this section shall not be applicable to payment of utility costs, claims of fixed salaries, and amounts which the district may be required to pay on account of retirement contributions for past or current services to officers and employees of the district. The treasurer shall keep such records in such manner as the board of trustees may require.

S 5. Charter, commencement of operations, and transfer of property and employees. The initially elected trustees of the district shall, within ninety days from the date of approval of the district by the voters of the district, apply to the board of regents for a charter as a public library. Upon the granting of such a charter by the board of regents, title to all liabilities and assets, including all property, both real and personal, and both tangible and intangible, all trust and other

1 funds, and all other obligations, now held by the existing Starr Insti-
2 tute, shall be transferred to, vested in, and be acquired by the
3 district established by this act. The above provisions for transfer to,
4 vesting and acquisition of real and personal property, both tangible and
5 intangible, and all trust and other funds, are effectuated by operation
6 of law pursuant to the authority of this act, except that, for purposes
7 of clarity of real property records, deeds of conveyance shall be
8 executed and filed for any parcels of real property. Upon the transfer
9 of all such property, the existing Starr Institute shall be deemed
10 dissolved. Upon the granting of such charter by the board of regents,
11 all employees of the existing Starr Institute shall become employees of
12 the district upon the same terms and conditions of employment and at the
13 same rate of pay as their previous employment by the existing Starr
14 Institute.

15 S 6. Ad valorem levy. The several lots and parcels of land within the
16 area of the district are hereby determined to be benefited by the
17 library facilities and devices existing as of the effective date of this
18 act, and the town of Rhinebeck is hereby authorized to assess, levy, and
19 collect the necessary expenses of operation, maintenance, and repair of
20 such facilities and services and such capital improvements, including
21 debt service on bonds, notes, or other evidences of indebtedness of the
22 town issued for the purpose of the district, as may be hereafter author-
23 ized pursuant to the provisions of this act from such lots and parcels
24 of land in the same manner and at the same time as other town charges.

25 S 7. Education law. Except as otherwise provided by this act, the
26 provisions of the education law relating to public libraries shall be
27 applicable to the district established by this act.

28 S 8. The district is deemed a special district which is separate and
29 distinct from the town for all purposes, including but not limited to
30 management, appropriations, and expenditures. Any tax levy for the
31 district shall not be charged or imputed to the town, and shall instead
32 be charged or imputed to the district, for purposes of any general or
33 special laws enacted by the legislature.

34 S 9. Section 5 of chapter 672 of the laws of 1993, amending the public
35 authorities law relating to the construction and financing of facilities
36 for certain public libraries, is amended by adding a new subdivision 47
