25 retirement and social security law.

26 S 3. This act shall take effect immediately and shall be deemed to
27 have been in full force and effect on and after December 21, 1998.

FISCAL NOTE.--This bill would amend Chapter 548 of the Laws of 2000 to allow certain individuals with less than three (3) years of military duty, who were discharged from the military for medical reasons due to injuries suffered during such military duty, to purchase three (3) years of service credit for military duty. The additional service credit granted pursuant to this legislation, when added to credit granted for military service pursuant to any other provision of law shall not exceed a total of three (3) years. Members must have at least five (5) years of credit service. Tier 1-5 members would be required to make a payment of three percent of their most recent compensation per year of additional service credit granted by this bill. Tier 6 members would be required to make a payment of six percent of their most recent compensation per year of additional service credit. In addition, none of the provisions of this bill will be subject to Section 25 of the retirement and social security law.

If this bill is enacted, insofar as this proposal affects the New York State and Local Employees' Retirement System (ERS), it is estimated that the past service cost will average approximately 12% (9% for Tier 6) of an affected members' compensation for each year of additional service credit that is purchased.

Insofar as this proposal affects the New York State and Local Police and Fire Retirement System (PFRS), it is estimated that the past service cost will average approximately 17% (14% for Tier 6) of an affected members' compensation for each year of additional service that is purchased.

The exact number of members who could be affected by this legislation cannot be readily determined. In all likelihood, very few members would be affected.

These costs would be shared by the State of New York and the participating employers in the ERS and the PFRS.
