AN ACT to amend the arts and cultural affairs law, in relation to authorizing volunteer fire and ambulance companies to receive grants for local government records management improvement

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. The legislature hereby finds and declares that volunteer
2 fire companies and volunteer ambulance companies perform vital services
3 for the municipalities they serve. These not-for-profit volunteer emer-
4 gency response organizations serve a meaningful public purpose by help-
5 ing to ensure the health, safety, and welfare of our citizens. Further,
6 these organizations work collaboratively with municipal officials in
7 their respective localities and help to reduce the burdens on our local
8 governments.
9 The records of volunteer fire companies and volunteer ambulance compa-
10 nies are important since they indicate the relationship, rights and
11 responsibilities with respect to the communities they serve. And, proper
12 records management assists municipalities and emergency response organ-
13 izations with their legal obligations under the general municipal law.
14 In addition, these records make appropriate information available to the
15 public and to municipal officials with respect to fire and emergency
16 services, and also reflect the historical development of the communities
17 served by such volunteer fire and ambulance companies. For these
18 reasons, the legislature hereby further finds and declares that not-for-
19 profit volunteer fire companies and volunteer ambulance companies should
