AN ACT in relation to allowing Malcolm Cully to file a request for Tier II status in the New York state and local employees' retirement system

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Notwithstanding any other provision of law, Malcolm Cully,
2 who is a member of the New York state and local employees' retirement
3 system, and who was employed by the Buffalo City School district in Erie
4 County for the period beginning July 1973 and ending September 1973, and
5 who for reasons not ascribable to his own negligence did not become a
6 member of the New York state and local employees' retirement system at
7 the time of his hiring and who is currently a Tier III member of the New
8 York state and local employees' retirement system shall be deemed to
9 have become a member of such system as of July 1, 1973 entitling him to
10 Tier II status with every right, benefit and privilege which would have
11 been available to him on such date if, within one year of the effective
12 date of this act, he shall file a written request to that effect with
13 the state comptroller. Upon the granting of such retroactive membership,
14 Malcolm Cully shall be granted a refund of any employee contributions
15 made by him to the New York state and local retirement system.

16 S 2. All past service costs associated with the implementation of this
17 act shall be borne by the state of New York.

18 S 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will deem Malcolm Cully, currently a Tier 3 member of the New York State and Local Employees' Retirement System, to have first become a member of the Retirement System on July 1, 1973, thereby making

him a Tier 2 member. There will be a refund of Tier 3 member contributions.

If this bill is enacted, we anticipate that there will be an increase of approximately \$10,700 in the annual contributions of the State of New York for the fiscal year ending March 31, 2015.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$340,000 which would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2015.
