2013-2014 Regular Sessions

I N S E N A T E

April 11, 2013

Introduced by Sen. LAVALLE -- read twice and ordered printed, and when printed to be committed to the Committee on Higher Education -- recommended to the Committee on Higher Education in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law and the state finance law, in relation to the student loan linked deposit act

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and declaration of purpose. The legis-
2 lature hereby finds that the costs of completing higher education for
3 residents of the state of New York are increasing at a rate significant-
4 ly faster than the rate of inflation. Paying out of pocket has become
5 increasingly difficult for families and students seeking to improve
6 their educational and economic prospects. An affordable college educa-
7 tion has become increasingly inaccessible to large numbers of middle
8 class families in the state, for whom financial resources, including
9 state grants and scholarships, are either limited or unavailable. Many
10 families and students have no choice but to turn to the private lending
11 market in order to finance their higher education.
12 Compounding the problem is the fact that typical interest rates for
13 student loans offered through the private lending market are relatively
14 high when compared to interest rates for other purposes, such as a mort-
15 gage or automobile. Additionally, the average student loan debt upon
16 graduation is more than \$26,000 per student in the state. Reducing the
17 debt burden that students endure upon graduating college has become a
18 critical public policy goal.
19 As increasing the share of the state's population that undertakes and
20 completes higher education is also a desirable public policy goal, and
21 an individual's decision to complete a program of postsecondary educa-
22 tion typically reaps economic and social rewards to the individual, the

legislature hereby declares that it is in the best interest of the state to create a student loan linked deposit program whereby the state will subsidize private lenders to provide reduced-rate loans to students.

S 2. Paragraph c of subdivision 1 of section 680 of the education law, as added by chapter 622 of the laws of 2008, is amended and a new paragraph d is added to read as follows:

c. To enter into cooperative agreements, subject to the approval of the board of trustees and the director of the budget, with other entities, including, but not limited to, other states, the federal government, and post-secondary institutions, to establish, administer, and operate federal student aid programs. Notwithstanding the provisions of paragraphs a and b of this subdivision, the corporation is authorized, pursuant to such cooperative agreements, to provide federal student aid services to students and families who are not residents of New York state[.]; AND

D. TO ADMINISTER AND OPERATE A STUDENT LOAN LINKED DEPOSIT PROGRAM PURSUANT TO ARTICLE FIFTEEN-A OF THE STATE FINANCE LAW.

S 3. Subdivision 2 of section 98-a of the state finance law, as added by chapter 705 of the laws of 1993, is amended to read as follows:

2. Notwithstanding any provision of law to the contrary, investment of bond proceeds and other funds not immediately required may be invested by the comptroller in linked deposits pursuant to article fifteen OR ARTICLE FIFTEEN-A of this chapter. If any moneys are invested by the comptroller in linked deposits pursuant to article fifteen OR ARTICLE FIFTEEN-A of this chapter, the comptroller shall compute the monthly earnings for all funds, other than the general fund, as if no such moneys had been invested in such linked deposits.

S 4. The state finance law is amended by adding a new article 15-A to read as follows:
