CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing amendments to sections 2 and 4 of article 3 of the constitution, in relation to the number of senators and the apportionment of senate districts

1     Section 1. Resolved (if the Assembly concur), That sections 2 and 4 of  
2 article 3 of the constitution be amended to read as follows:  
3     S 2. The senate shall consist of [fifty] SIXTY-TWO members[, except as  
4 hereinafter provided]. The senators [elected in the year one thousand  
5 eight hundred and ninety-five shall hold their offices for three years,  
6 and their successors] shall be [chosen] ELECTED for two years. The  
7 assembly shall consist of one hundred and fifty members. The assembly  
8 members [elected in the year one thousand nine hundred and thirty-eight,  
9 and their successors,] shall be [chosen] ELECTED for two years.  
10     S 4. Except as herein otherwise provided, the federal census taken in  
11 the year nineteen hundred thirty and each federal census taken decenni-  
12 ally thereafter shall be controlling as to the number of inhabitants in  
13 the state or any part thereof for the purposes of the apportionment of  
14 members of assembly and readjustment or alteration of [senate and]  
15 assembly districts next occurring, in so far as such census and the  
16 tabulation thereof purport to give the information necessary therefor.  
17 The legislature, by law, shall provide for the making and tabulation by  
18 state authorities of an enumeration of the inhabitants of the entire  
19 state to be used for such purposes, instead of a federal census, if the  
20 taking of a federal census in any tenth year from the year nineteen  
21 hundred thirty be omitted or if the federal census fails to show the  
22 number of aliens or Indians not taxed. If a federal census, though  
23 giving the requisite information as to the state at large, fails to give  
24 the information as to any civil or territorial divisions which is  
25 required to be known for such purposes, the legislature, by law, shall  
26 provide for such an enumeration of the inhabitants of such parts of the

1 state only as may be necessary, which shall supersede in part the feder-  
2 al census and be used in connection therewith for such purposes. The  
3 legislature, by law, may provide in its discretion for an enumeration by  
4 state authorities of the inhabitants of the state, to be used for such  
5 purposes, in place of a federal census, when the return of a decennial  
6 federal census is delayed so that it is not available at the beginning  
7 of the regular session of the legislature in the second year after the  
8 year nineteen hundred thirty or after any tenth year therefrom, or if an  
9 apportionment of members of assembly [and readjustment or alteration of  
10 senate districts] is not made at or before such a session. [At the regu-  
11 lar session in the year nineteen hundred thirty-two, and at the first  
12 regular session after the year nineteen hundred forty and after each  
13 tenth year therefrom the senate districts shall be readjusted or  
14 altered, but if, in any decade, counting from and including that which  
15 begins with the year nineteen hundred thirty-one, such a readjustment or  
16 alteration is not made at the time above prescribed, it shall be made at  
17 a subsequent session occurring not later than the sixth year of such  
18 decade, meaning not later than nineteen hundred thirty-six, nineteen  
19 hundred forty-six, nineteen hundred fifty-six, and so on; provided,  
20 however, that if such districts shall have been readjusted or altered by  
21 law in either of the years nineteen hundred thirty or nineteen hundred  
22 thirty-one, they shall remain unaltered until the first regular session  
23 after the year nineteen hundred forty. Such districts shall be so read-  
24 justed or altered that each senate district shall contain as nearly as  
25 may be an equal number of inhabitants, excluding aliens, and be in as  
26 compact form as practicable, and shall remain unaltered until the first  
27 year of the next decade as above defined, and shall at all times consist  
28 of contiguous territory, and no county shall be divided in the formation  
29 of a senate district except to make two or more senate districts wholly  
30 in such county. No town, except a town having more than a full ratio of  
31 apportionment, and no block in a city inclosed by streets or public  
32 ways, shall be divided in the formation of senate districts; nor shall  
33 any district contain a greater excess in population over an adjoining  
34 district in the same county, than the population of a town or block  
35 therein adjoining such district. Counties, towns or blocks which, from  
36 their location, may be included in either of two districts, shall be so  
37 placed as to make said districts most nearly equal in number of inhabit-  
38 ants, excluding aliens.

39 No county shall have four or more senators unless it shall have a full  
40 ratio for each senator. No county shall have more than one-third of all  
41 the senators; and no two counties or the territory thereof as now organ-  
42 ized, which are adjoining counties, or which are separated only by  
43 public waters, shall have more than one-half of all the senators.

44 The ratio for apportioning senators shall always be obtained by divid-  
45 ing the number of inhabitants, excluding aliens, by fifty, and the  
46 senate shall always be composed of fifty members, except that if any  
47 county having three or more senators at the time of any apportionment  
48 shall be entitled on such ratio to an additional senator or senators,  
49 such additional senator or senators shall be given to such county in  
50 addition to the fifty senators, and the whole number of senators shall  
51 be increased to that extent.

52 The senate districts, including the present ones, as existing imme-  
53 diately before the enactment of a law readjusting or altering the senate  
54 districts, shall continue to be the senate districts of the state until  
55 the expirations of the terms of the senators then in office, except for  
56 the purpose of an election of senators for full terms beginning at such

1 expirations, and for the formation of assembly districts] EACH COUNTY  
2 HERETOFORE ESTABLISHED AND SEPARATELY ORGANIZED SHALL BE REPRESENTED BY  
3 A SINGLE MEMBER OF THE SENATE, AND EVERY SENATE DISTRICT SHALL BE  
4 CONTIGUOUS WITH THE BOUNDARIES OF A COUNTY OF THE STATE.

5 S 2. Resolved (if the Assembly concur), That the foregoing be referred  
6 to the first regular legislative session convening after the next  
7 succeeding general election of members of the assembly, and, in conform-  
8 ity with section 1 of article 19 of the constitution, be published for 3  
9 months previous to the time of such election.
