8 employee shall have satisfied the obligation to repay when he or she has
9 repaid eighty-five percent of the amount of city salary or military
10 salary, whichever is less, less other such discounts implemented by the
11 implementing agency as of the effective date of this subdivision and
12 such incentives as may be implemented by the implementing agency to
13 encourage payment, and no such term shall:

18 remaining outstanding repayment obligation after ten years from the date
19 of return from ordered military duty; or

21 month, an amount more than seven and one-half percent of his or her

24 years from the date of return from ordered military duty; or

25 (iii) require a public officer or employee separated from employment
26 by such city in a manner other than by retirement, to pay, in any year,
27 an amount more than seven and one-half percent of the base pay of city
28 salary, except that a term may provide for full satisfaction of any
29 remaining outstanding repayment obligation after ten years from the date
30 of return from ordered military duty.

31 (f) Notwithstanding paragraph (e) of this subdivision, a city shall
32 not require the satisfaction of any repayment obligation in the event
33 that a public servant soldier is killed in the performance of ordered
34 military duty.
