FISCAL NOTE.--This bill would amend Section 212 of the Retirement and Social Security Law to set the amount a retired person may earn in public employment without reduction in retirement allowance during the year 2015 and thereafter, to \$32,500.

If this bill is enacted, insofar as it would affect the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System, the resulting 8.3% increase over the current \$30,000 limit, in place since 2007, which is less than the increase in the consumer price index over the same period would not affect retirement patterns. Therefore, there will be no additional cost.
