THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

2 security law is amended by adding two new paragraphs d and e to read as

8     E. ANY MEMBER WHO FILES FOR RETIREMENT AFTER BEING ELIGIBLE TO RETIRE

11 AT THE TIME OF RETIREMENT.

12     S 2. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would allow larger lump sum payments to be made under the Partial Lump Sum (PLS) program for certain members of the New York State and Local Police and Fire Retirement System (PFRS). Currently, PFRS members who are eligible for the PLS program may elect to receive a partial lump sum payment of up to 15% of the present value of their actuarially determined retirement allowance at retirement, and a smaller annual retirement allowance thereafter. This proposal would allow a member who files for service retirement after being eligible to retire for 4 or 5 or more years to be eligible to receive a partial lump sum of up to 20% or 25%, respectively, of the present value of their actuarial-

ly determined retirement allowance, and a smaller annual retirement allowance thereafter.

If this bill is enacted, there would be administrative costs associated with redesigned estimate and option forms. There would not be costs associated with the lump sum payment options since payments would be determined on an actuarially equivalent basis. Should future proposals exceed 25%, further analysis will be necessary to determine whether there may be costs due to adverse selection.
