AN ACT authorizing the leasing of certain parkland for development of a parking facility with roof top park occupying the same parkland footprint such that there is no net parkland loss associated with this facility, and for the construction of associated roadways, a pedestrian foot bridge, a loading dock and other new park amenities, required to support new development of an exhibition hall, cultural space, a wellness center, hotel, restaurants, and a community programming not for profit uniquely located on the Hudson River in a historic former power plant, which site is currently an abandoned brownfield site known as the Glenwood Power Plant, uniquely located on the Hudson River adjacent to John F. Kennedy Marina and Trevor Park in the City of Yonkers, which site lacks any land for parking, and which project was contemplated in the approved May 2009 City of Yonkers Alexander Street Master Plan with a new road network connecting Alexander Street to the south past the Glenwood Power Plant through John F. Kennedy Marina and Trevor Park north to provide increased public access to the Hudson River and enhance said parks through the development of a new sustainable riverfront, transit-oriented project by enhancing the existing parks with new amenities

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. It is hereby found and declared that

1 additional parkland amenities, and sale of acreage required for a load-
2 ing dock and arrival court, which shall simultaneously benefit develop-
3 ment of an exhibition hall, cultural space, a wellness center, hotel,
4 restaurants, and a community programming not for profit uniquely located
5 on the Hudson River in a historic former power plant, which site is
6 currently an abandoned brownfield site known as the Glenwood Power
7 Plant, uniquely located on the Hudson River adjacent to John F. Kennedy
8 Marina and Trevor Park in the city of Yonkers and shall also benefit the
9 general public by providing enhanced park recreational use amenities and
10 activities, including entertainment, amusement, education, enlight-
11 enment, cultural development and betterment and improvement of trade and
12 commerce, cultural and entertainment events, tourism, meetings and
13 assemblages, and other events of a civic, community and general public
14 interest. It is further found and declared that the development, financ-
15 ing, and long term lease of such parking facility and access to associ-
16 ated roadways in exchange for creation of a new replacement in kind park
17 occupying the same footprint as the parking facility and additional
18 parkland enhancements not currently present in the park as well as dedi-
19 cation of additional acreage in the city of Yonkers to offset the park-
20 land impact are for the benefit of the people of the state of New York
21 and abroad and for the improvement of their health, welfare, recreation-
22 al activities and prosperity, and for the improvement of trade and
23 commerce and are hereby declared to be public purposes. It is further
24 found and declared that the development, financing, and long term lease
25 of such parking facilities and associated roadways, and other improve-
26 ments, which would benefit the development of an exhibition hall,
27 cultural space, a wellness center, hotel, restaurants, and a community
28 programming non for profit uniquely located on the Hudson River in a
29 historic former power plant, which site is currently an abandoned brown-
30 field site known as the Glenwood Power Plant, uniquely located on the
31 Hudson River and simultaneously enhance and improve John F. Kennedy
32 Marina and Trevor Park, are park purposes permitted on lands dedicated
33 as parklands in the city of Yonkers. It is further found and declared
34 that development, financing, and lease of the parking facility and
35 pedestrian bridge and access to associated roadways to serve the needs
36 of the patrons of the new development and the general public to be able
37 to better access the Hudson River waterfront, will serve the public
38 convenience and welfare and constitute a public purpose and enhance the
39 use of the adjacent Glenwood Metro-North train station. It is further
40 found and declared that the sale of a one and a half acre portion of
41 John F. Kennedy Marina for a loading dock and arrival court immediately
42 adjacent to the power plant building, will facilitate the redevelopment
43 of the abandoned brownfield Glenwood Power Plant site.

44 S 2. a. Notwithstanding any other provision of law, general, special
45 or local to the contrary, the city of Yonkers, acting through the mayor
46 or his or her designee, is hereby authorized and empowered to enter into
47 one or more contracts, leases or rental agreements with Glenwood POH LLC

49 not to exceed ninety-nine years, and to grant easements, licenses,
50 permits, concessions and other authorizations, with respect to certain
