AN ACT authorizing the leasing of certain parkland for development of a parking facility with roof top park occupying the same parkland footprint such that there is no net parkland loss associated with this facility, and for the construction of associated roadways, a pedestrian foot bridge, a loading dock and other new park amenities, required to support new development of an exhibition hall, cultural space, a wellness center, hotel, restaurants, and a community programming not for profit uniquely located on the Hudson River in a historic former power plant, which site is currently an abandoned brownfield site known as the Glenwood Power Plant, uniquely located on the Hudson River adjacent to John F. Kennedy Marina and Trevor Park in the City of Yonkers, which site lacks any land for parking, and which project was contemplated in the approved May 2009 City of Yonkers Alexander Street Master Plan with a new road network connecting Alexander Street to the south past the Glenwood Power Plant through John F. Kennedy Marina and Trevor Park north to provide increased public access to the Hudson River and enhance said parks through the development of a new sustainable riverfront, transit-oriented project by enhancing the existing parks with new amenities

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.

LBD10802-10-3

Section 1. Subject to the provisions of this act, the city of Yonkers, in the county of Westchester, acting by and through its mayor, is hereby authorized to discontinue the use of the municipally owned parkland described in section four of this act that are no longer needed for park purposes.

S 2. Subject to the provisions of this act, the city of Yonkers, in the county of Westchester, acting by and through its mayor, is hereby authorized to temporarily discontinue use of the parkland described in section four of this act for the purpose of leasing the land under such park to Glenwood POH LLC, for a term not to exceed thirty years, to facilitate the building of a public parking garage and a public park. The fair market value of such lease shall be dedicated by the city of Yonkers for the acquisition of additional parkland and/or improvements to existing parkland.

S 3. The authorization contained in section one of this act shall only be effective on the condition that the city of Yonkers, in the county of Westchester, acquire and dedicate as parklands the lands described in section five of this act, such land to be used for park purposes. If the replacement lands are less than the fair market value of the lands being alienated, the city of Yonkers must dedicate the difference for the acquisition of additional parkland and/or for capital improvements to existing parkland.

S 4. The lands referred to in sections one and two of this act are located, bounded and described as follows:
