3 the laws of 2009, is amended to read as follows;
4 S 4406-d. Health care professional applications and terminations. 1.
5 (a) A health care plan shall, upon request, make available and disclose
6 to health care professionals written application procedures and minimum
7 qualification requirements which a health care professional must meet in
8 order to be considered by the health care plan. The plan shall consult
9 with appropriately qualified health care professionals in developing its
10 qualification requirements. A health care plan shall complete review of
11 the health care professional's application to participate in the in-net-
12 work portion of the health care plan's network and shall, within ninety
13 days of receiving a health care professional's completed application to
14 participate in the health care plan's network, notify the health care
15 professional as to: (i) whether he or she is credentialed; or (ii)
16 whether additional time is necessary to make a determination in spite of
17 the health care plan's best efforts or because of a failure of a third
18 party to provide necessary documentation, or non-routine or unusual
19 circumstances require additional time for review. In such instances
20 where additional time is necessary because of a lack of necessary
21 documentation, a health plan shall make every effort to obtain such
22 information as soon as possible.

1 state, who joins a group practice of health care professionals each of
2 whom participates in the in-network portion of a health care plan's
3 network, is neither approved nor declined within ninety days pursuant to
4 paragraph (a) of this subdivision, the health care professional shall be
5 deemed "provisionally credentialed" and may participate in the in-net-
6 work portion of the health care plan's network; provided, however, that
7 a provisionally credentialed physician may not be designated as an
8 enrollee's primary care physician until such time as the physician has
9 been fully credentialed. The network participation for a provisionally
10 credentialed health care professional shall begin on the day following
11 the ninetieth day of receipt of the completed application and shall last
12 until the final credentialing determination is made by the health care
13 plan. A health care professional shall only be eligible for provisional
14 credentialing if the group practice of health care professionals noti-
15 fies the health care plan in writing that, should the application ulti-
16 mately be denied, the health care professional or the group practice:
17 (i) shall refund any payments made by the health care plan for in-net-
18 work services provided by the provisionally credentialed health care
19 professional that exceed any out-of-network benefits payable under the
20 enrollee's contract with the health care plan; and (ii) shall not pursue
21 reimbursement from the enrollee, except to collect the copayment that
22 otherwise would have been payable had the enrollee received services
23 from a health care professional participating in the in-network portion
24 of a health care plan's network. Interest and penalties pursuant to
25 section three thousand two hundred twenty-four-a of the insurance law
26 shall not be assessed based on the denial of a claim submitted during
27 the period when the health care professional was provisionally creden-
28 tialed; provided, however, that nothing herein shall prevent a health
29 care plan from paying a claim from a health care professional who is
30 provisionally credentialed upon submission of such claim. A health care
31 plan shall not deny, after appeal, a claim for services provided by a
32 provisionally credentialed health care professional solely on the ground
33 that the claim was not timely filed.

34 2. (a) A health care plan shall not terminate OR NOT RENEW a contract
35 with a health care professional unless the health care plan provides to
36 the health care professional a written explanation of the reasons for
37 the proposed contract termination and an opportunity for a review or
38 hearing as hereinafter provided. This section shall not apply in cases
39 involving imminent harm to patient care, a determination of fraud, or a
40 final disciplinary action by a state licensing board or other govern-
41 mental agency that impairs the health care professional's ability to
42 practice.

43 (b) The notice of the proposed contract termination OR NON-RENEWAL
44 provided by the health care plan to the health care professional shall
45 include:

46 (i) the reasons for the proposed action;

47 (ii) notice that the health care professional has the right to request
48 a hearing or review, at the professional's discretion, before a panel
49 [appointed by the health care plan] COMPRISED OF NO FEWER THAN THREE
50 HEALTH CARE PROFESSIONALS LICENSED TO PRACTICE IN THE STATE OF NEW YORK;

51 (iii) a time limit of not less than thirty days within which a health
52 care professional may request a hearing; and

53 (iv) a time limit for a hearing date which must be held within thirty
54 days after the date of receipt of a request for a hearing.

55 (c) The hearing panel shall be comprised of three [persons appointed
56 by the health care plan] HEALTH CARE PROFESSIONALS LICENSED TO PRACTICE

1 BY THE STATE OF NEW YORK IN THE SAME PROFESSION AS THE SUBJECT OF THE
2 REVIEW, ONE OF WHOM IS APPOINTED BY THE HEALTH CARE PLAN, ONE OF WHOM IS
3 APPOINTED BY THE HEALTH CARE PROFESSIONAL WHO IS THE SUBJECT OF THE
4 HEARING. THE REMAINING MEMBER OF THE PANEL SHALL BE CHOSEN BY THE OTHER
5 TWO PANEL MEMBERS. At least one person on such panel shall be a clinical
6 peer in the same discipline and the same or similar specialty as the
7 health care professional under review. The hearing panel may consist of
8 more than three persons, provided however that the number of clinical
9 peers on such panel shall constitute one-third or more of the total
10 membership of the panel AND PROVIDED FURTHER THAT THE RATIO OF THE
11 NUMBER OF HEALTH CARE PROFESSIONALS APPOINTED BY THE HEALTH CARE PLAN TO
12 THE NUMBER OF HEALTH CARE PROFESSIONALS APPOINTED BY THE SUBJECT OF THE
13 HEARING TO THE NUMBER OF HEALTH CARE PROFESSIONALS CHOSEN BY THE OTHER
14 PANEL MEMBERS REMAINS ONE TO ONE TO ONE.

15 (d) The hearing panel shall render a decision on the proposed action
16 in a timely manner. Such decision shall include reinstatement of the
17 health care professional by the health care plan, provisional rein-
18 statement subject to conditions set forth by the health care plan or
19 termination of the health care professional. Such decision shall be
20 provided in writing to the health care professional.

21 (e) A decision by the hearing panel to terminate OR NOT RENEW a health
22 care professional shall be effective not less than thirty days after the
23 receipt by the health care professional of the hearing panel's decision;
24 provided, however, that the provisions of paragraph (e) of subdivision
25 six of section [four thousand four] FORTY-FOUR hundred three of this
26 article shall apply to such termination OR NON-RENEWAL.

27 (f) In no event shall termination be effective earlier than sixty days
28 from the receipt of the notice of termination.

29 3. [Either party to a contract may exercise a right of non-renewal at
30 the expiration of the contract period set forth therein or, for a
31 contract without a specific expiration date, on each January first
32 occurring after the contract has been in effect for at least one year,
33 upon sixty days notice to the other party; provided, however, that any
34 non-renewal shall not constitute a termination for purposes of this
35 section.

36 4.] A health care plan shall develop and implement policies and proce-
37 dures to ensure that health care professionals are regularly informed of
38 information maintained by the health care plan to evaluate the perform-
39 ance or practice of the health care professional. The health care plan
40 shall consult with health care professionals in developing methodologies
41 to collect and analyze health care professional profiling data. Health
42 care plans shall provide any such information and profiling data and
43 analysis to health care professionals. Such information, data or analy-
44 sis shall be provided on a periodic basis appropriate to the nature and
45 amount of data and the volume and scope of services provided. Any
46 profiling data used to evaluate the performance or practice of a health
47 care professional shall be measured against stated criteria and an
48 appropriate group of health care professionals using similar treatment
49 modalities serving a comparable patient population. Upon presentation of
50 such information or data, each health care professional shall be given
51 the opportunity to discuss the unique nature of the health care profes-
52 sional's patient population which may have a bearing on the health care
53 professional's profile and to work cooperatively with the health care
54 plan to improve performance.

[5.] 4. No health care plan shall terminate a contract or employment, or refuse to renew a contract, solely because a health care provider has:

- (a) advocated on behalf of an enrollee;
- (b) filed a complaint against the health care plan;
- (c) appealed a decision of the health care plan;
- (d) provided information or filed a report pursuant to section forty-four hundred six-c of this article; or
- (e) requested a hearing or review pursuant to this section.

[6.] 5. Except as provided herein, no contract or agreement between a health care plan and a health care professional shall contain any provision which shall supersede or impair a health care professional's right to notice of reasons for termination OR NON-RENEWAL and the opportunity for a hearing or review concerning such termination OR NON-RENEWAL.

[7.] 6. Any contract provision in violation of this section shall be deemed to be void and unenforceable.

[8.] 7. For purposes of this section, "health care plan" shall mean a health maintenance organization licensed pursuant to article forty-three of the insurance law or certified pursuant to this article or an independent practice association certified or recognized pursuant to this article.

[9.] 8. For purposes of this section, "health care professional" shall mean a health care professional licensed, registered or certified pursuant to title eight of the education law.

S 2. Section 4803 of the insurance law, as added by chapter 705 of the laws of 1996, subsection (a) as amended by chapter 237 of the laws of 2009, is amended to read as follows:

S 4803. Health care professional applications and terminations. (a) (1) An insurer which offers a managed care product shall, upon request, make available and disclose to health care professionals written application procedures and minimum qualification requirements which a health care professional must meet in order to be considered by the insurer for participation in the in-network benefits portion of the insurer's network for the managed care product. The insurer shall consult with appropriately qualified health care professionals in developing its qualification requirements for participation in the in-network benefits portion of the insurer's network for the managed care product. An insurer shall complete review of the health care professional's application to participate in the in-network portion of the insurer's network and, within ninety days of receiving a health care professional's completed application to participate in the insurer's network, will notify the health care professional as to: (A) whether he or she is credentialed; or (B) whether additional time is necessary to make a determination in spite of the insurer's best efforts or because of a failure of a third party to provide necessary documentation, or non-routine or unusual circumstances require additional time for review. In such instances where additional time is necessary because of a lack of necessary documentation, an insurer shall make every effort to obtain such information as soon as possible.

(2) If the completed application of a newly-licensed health care professional or a health care professional who has recently relocated to this state from another state and has not previously practiced in this state, who joins a group practice of health care professionals each of whom participates in the in-network portion of an insurer's network, is neither approved nor declined within ninety days pursuant to paragraph

1 one of this subsection, such health care professional shall be deemed
2 "provisionally credentialed" and may participate in the in-network
3 portion of an insurer's network; provided, however, that a provisionally
4 credentialed physician may not be designated as an insured's primary
5 care physician until such time as the physician has been fully creden-
6 tialed. The network participation for a provisionally credentialed
7 health care professional shall begin on the day following the ninetieth
8 day of receipt of the completed application and shall last until the
9 final credentialing determination is made by the insurer. A health care
10 professional shall only be eligible for provisional credentialing if the
11 group practice of health care professionals notifies the insurer in
12 writing that, should the application ultimately be denied, the health
13 care professional or the group practice: (A) shall refund any payments
14 made by the insurer for in-network services provided by the provi-
15 sionally credentialed health care professional that exceed any out-of-
16 network benefits payable under the insured's contract with the insurer;
17 and (B) shall not pursue reimbursement from the insured, except to
18 collect the copayment or coinsurance that otherwise would have been
19 payable had the insured received services from a health care profes-
20 sional participating in the in-network portion of an insurer's network.
21 Interest and penalties pursuant to section three thousand two hundred
22 twenty-four-a of this chapter shall not be assessed based on the denial
23 of a claim submitted during the period when the health care professional
24 was provisionally credentialed; provided, however, that nothing herein
25 shall prevent an insurer from paying a claim from a health care profes-
26 sional who is provisionally credentialed upon submission of such claim.
27 An insurer shall not deny, after appeal, a claim for services provided
28 by a provisionally credentialed health care professional solely on the
29 ground that the claim was not timely filed.

30 (b) (1) An insurer shall not terminate OR NOT RENEW a contract with a
31 health care professional for participation in the in-network benefits
32 portion of the insurer's network for a managed care product unless the
33 insurer provides to the health care professional a written explanation
34 of the reasons for the proposed contract termination and an opportunity
35 for a review or hearing as hereinafter provided. This section shall not
36 apply in cases involving imminent harm to patient care, a determination
37 of fraud, or a final disciplinary action by a state licensing board or
38 other governmental agency that impairs the health care professional's
39 ability to practice.

40 (2) The notice of the proposed contract termination OR NON-RENEWAL
41 provided by the insurer to the health care professional shall include:

42 (i) the reasons for the proposed action;

43 (ii) notice that the health care professional has the right to request
44 a hearing or review, at the professional's discretion, before a panel
45 [appointed by the insurer] COMPRISED OF NO FEWER THAN THREE HEALTH CARE
46 PROFESSIONALS LICENSED TO PRACTICE BY THE STATE OF NEW YORK;

47 (iii) a time limit of not less than thirty days within which a health
48 care professional may request a hearing or review; and

49 (iv) a time limit for a hearing date which must be held within not
50 less than thirty days after the date of receipt of a request for a hear-
51 ing.

52 (3) The hearing panel shall be comprised of three [persons appointed
53 by the insurer] HEALTH CARE PROFESSIONALS LICENSED TO PRACTICE BY THE
54 STATE OF NEW YORK IN THE SAME PROFESSION AS THE SUBJECT OF THE REVIEW,
55 ONE OF WHOM IS APPOINTED BY THE INSURER, ONE OF WHOM IS APPOINTED BY THE
56 HEALTH CARE PROFESSIONAL WHO IS THE SUBJECT OF THE HEARING. THE REMAIN-

1 ING MEMBER OF THE PANEL SHALL BE CHOSEN BY THE OTHER TWO PANEL MEMBERS.
2 At least one person on such panel shall be a clinical peer in the same
3 discipline and the same or similar specialty as the health care profes-
4 sional under review. The hearing panel may consist of more than three
5 persons, provided however that the number of clinical peers on such
6 panel shall constitute one-third or more of the total membership of the
7 panel AND PROVIDED FURTHER THAT THE RATIO OF THE NUMBER OF HEALTH CARE
8 PROFESSIONALS APPOINTED BY THE HEALTH CARE PLAN TO THE NUMBER OF HEALTH
9 CARE PROFESSIONALS APPOINTED BY THE SUBJECT OF THE HEARING TO THE NUMBER
10 OF HEALTH CARE PROFESSIONALS CHOSEN BY THE TWO OTHER PANEL MEMBERS
11 REMAINS ONE TO ONE TO ONE.

12 (4) The hearing panel shall render a decision on the proposed action
13 in a timely manner. Such decision shall include reinstatement of the
14 health care professional by the insurer, provisional reinstatement
15 subject to conditions set forth by the insurer or termination of the
16 health care professional. Such decision shall be provided in writing to
17 the health care professional.

18 (5) A decision by the hearing panel to terminate OR NOT RENEW a health
19 care professional shall be effective not less than thirty days after the
20 receipt by the health care professional of the hearing panel's decision;
21 provided, however, that the provisions of subsection (e) of section four
22 thousand eight hundred four OF THIS ARTICLE shall apply to such termi-
23 nation.

24 (6) In no event shall termination OR NON-RENEWAL be effective earlier
25 than sixty days from the receipt of the notice of termination OR NON-RE-
26 NEWAL.

27 (c) [Either party to a contract for participation in the in-network
28 benefits portion of an insurer's network for a managed care product may
29 exercise a right of non-renewal at the expiration of the contract period
30 set forth therein or, for a contract without a specific expiration date,
31 on each January first occurring after the contract has been in effect
32 for at least one year, upon sixty days notice to the other party;
33 provided, however, that any non-renewal shall not constitute a termi-
34 nation for purposes of this section.

35 (d)] An insurer shall develop and implement policies and procedures to
36 ensure that health care providers participating in the the in-network
37 benefits portion of an insurer's network for a managed care product are
38 regularly informed of information maintained by the insurer to evaluate
39 the performance or practice of the health care professional. The insurer
40 shall consult with health care professionals in developing methodologies
41 to collect and analyze provider profiling data. Insurers shall provide
42 any such information and profiling data and analysis to these health
43 care professionals. Such information, data or analysis shall be provided
44 on a periodic basis appropriate to the nature and amount of data and the
45 volume and scope of services provided. Any profiling data used to evalu-
46 ate the performance or practice of such a health care professional shall
47 be measured against stated criteria and an appropriate group of health
48 care professionals using similar treatment modalities serving a compara-
49 ble patient population. Upon presentation of such information or data,
50 each such health care professional shall be given the opportunity to
51 discuss the unique nature of the health care professional's patient
52 population which may have a bearing on the professional's profile and to
53 work cooperatively with the insurer to improve performance.

54 [(e)] (D) No insurer shall terminate or refuse to renew a contract for
55 participation in the in-network benefits portion of an insurer's network
56 for a managed care product solely because the health care professional

1 has (1) advocated on behalf of an insured; (2) has filed a complaint
2 against the insurer; (3) has appealed a decision of the insurer; (4)
3 provided information or filed a report pursuant to section forty-four
4 hundred six-c of the public health law; or (5) requested a hearing or
5 review pursuant to this section.

6 [(f)] (E) Except as provided herein, no contract or agreement between
7 an insurer and a health care professional for participation in the
8 in-network benefits portion of an insurer's network for a managed care
9 product shall contain any provision which shall supersede or impair a
10 health care professional's right to notice of reasons for termination OR
11 NON-RENEWAL and the opportunity for a hearing concerning such termi-
12 nation OR NON-RENEWAL.

13 [(g)] (F) Any contract provision in violation of this section shall be
14 deemed to be void and unenforceable.

15 [(h)] (G) For purposes of this section, "health care professional"
16 shall mean a health care professional licensed, registered or certified
17 pursuant to title eight of the education law.

18 S 3. This act shall take effect immediately.
