tion with the contracting agency requesting a partial or total waiver of such requirements setting forth the reasons for such contractor's inability to meet any or all of the participation requirements together with an explanation of the efforts undertaken by the contractor to obtain the required minority [and women-owned], WOMEN AND VETERAN-OWNED business enterprise participation. In implementing the provisions of this section, the contracting agency shall consider the number and types of minority [and women-owned], WOMEN AND VETERAN-OWNED business enterprises located in the region in which the state contract is to be performed, the total dollar value of the state contract, the scope of work to be performed and the project size and term. If, based on such considerations, the contracting agency determines there is not a reasonable availability of contractors on the list of certified [business] BUSINESSES to furnish services for the project, it shall issue a waiver of compliance to the contractor. In making such determination, the contracting agency shall first consider the availability of other business enterprises located in the region and shall thereafter consider the financial ability of minority [and women-owned], WOMEN AND VETERAN-OWNED businesses located outside the region in which the contract is to be performed to perform the state contract.

7. For purposes of determining a contractor's good faith effort to comply with the requirements of this section or to be entitled to a waiver therefrom the contracting agency shall consider:

(a) whether the contractor has advertised in general circulation media, trade association publications, and [minority-focus and women-focus] MINORITY-FOCUSED, WOMEN-FOCUSED AND VETERAN-FOCUSED media and, in such event, (i) whether or not certified minority [or women-owned], WOMEN OR VETERAN-OWNED businesses which have been solicited by the contractor exhibited interest in submitting proposals for a particular project by attending a pre-bid conference; and

(ii) whether certified businesses which have been solicited by the contractor have responded in a timely fashion to the contractor's solicitations for timely competitive bid quotations prior to the contracting agency's bid date; and

(b) whether there has been written notification to appropriate certified businesses that appear in the directory of certified businesses prepared pursuant to paragraph (f) of subdivision three of section three hundred eleven of this article; and

(c) whether the contractor can reasonably structure the amount of work to be performed under subcontracts in order to increase the likelihood of participation by certified businesses.

8. In the event that a contracting agency fails or refuses to issue a waiver to a contractor as requested within twenty days after having made application therefor pursuant to subdivision six of this section or if the contracting agency denies such application, in whole or in part, the contractor may file a complaint with the director pursuant to section three hundred sixteen of this article setting forth the facts and circumstances giving rise to the contractor's complaint together with a demand for relief. The contractor shall serve a copy of such complaint upon the contracting agency by personal service or by certified mail, return receipt requested. The contracting agency shall be afforded an opportunity to respond to such complaint in writing.

9. If, after the review of a contractor's minority [and women owned], WOMEN AND VETERAN-OWNED business utilization plan or review of a periodic compliance report and after such contractor has been afforded an opportunity to respond to a notice of deficiency issued by the contract-

1 ing agency in connection therewith, it appears that a contractor is  
2 failing or refusing to comply with the minority [and women-owned], WOMEN  
3 AND VETERAN-OWNED business participation requirements as set forth in  
4 the state contract and where no waiver from such requirements has been  
5 granted, the contracting agency may file a written complaint with the  
6 director pursuant to section three hundred sixteen of this article  
7 setting forth the facts and circumstances giving rise to the contracting  
8 agency's complaint together with a demand for relief. The contracting  
9 agency shall serve a copy of such complaint upon the contractor by  
10 personal service or by certified mail, return receipt requested. The  
11 contractor shall be afforded an opportunity to respond to such complaint  
12 in writing.

15 S 313-a. Diversity practices of state contractors. The director shall  
16 promulgate rules and regulations setting forth measures and procedures  
17 to require all contracting agencies, where practicable, feasible and  
18 appropriate, to assess the diversity practices of contractors submitting  
19 bids or proposals in connection with the award of a state contract. Such  
20 rules and regulations shall take into account: the nature of the labor,  
21 services, supplies, equipment or materials being procured by the state  
22 agency; the method of procurement required to be used by a state agency  
23 to award the contract and minority [and women-owned], WOMEN AND VETER-  
24 AN-OWNED business utilization plans required to be submitted pursuant to  
25 sections three hundred twelve and three hundred thirteen of this arti-  
26 cle; and such other factors as the director deems appropriate or neces-  
27 sary to promote the award of state contracts to contractors having sound  
28 diversity practices. Such assessment shall not in any way permit the  
29 automatic rejection of a bid or procurement contract proposal based on  
30 lack of adherence to diversity practices. Each bid or proposal shall be  
31 analyzed on an individual per bid or per proposal basis with the  
32 contractor's diversity practices considered as only a part of a wider  
33 consideration of several factors when deciding to award or decline to  
34 award a bid or proposal. The director shall develop the rules and regu-  
35 lations required hereunder only after consultation with the state  
36 procurement council established by section one hundred sixty-one of the  
37 state finance law.

(3) The citywide goals shall not be summarily adopted as goals for individual procurements; rather, as set forth in subdivision i of this section, goals for such procurements may be set at levels higher, lower, or the same as the citywide goals. In setting such goals, each agency shall take into account the citywide goals and the agency's annual utilization plan, the size and nature of the procurement, and the availability of MBES, WBES, VBES and EBES with the capacity to perform the specific types and scale of work involved in its procurements.

(4) (a) No later than 2015, the commissioner, in consultation with the city chief procurement officer, shall, for each industry classification and each minority group, review and compare the availability rates of firms owned by minorities [and], women AND VETERANS to the utilization rates of such firms in agency contracts and direct subcontracts, and shall on the basis of such review and any other relevant information, where appropriate, revise by rule the citywide participation goals set forth in this subdivision AND DETERMINE APPROPRIATE CONTRACTING PERCENTAGE GOALS FOR VETERANS. In making such revision, the commissioner shall consider the extent to which discrimination continues to have an impact on the ability of minorities [and], women AND VETERANS to compete for city contracts and subcontracts. The commissioner shall submit the results of such review and any proposed revisions to the participation goals to the speaker of the council at least sixty days prior to publishing a proposed rule that would revise participation goals. Such review shall thereafter be conducted at least once every two years.

(b) No later than 2015, the commissioner shall review information collected by the department to determine the availability and utilization of EBES, and shall on the basis of such review and any other relevant information, where appropriate, revise by rule the citywide participation goals set forth in this subdivision AND INCLUDE VETERANS IN SUCH GOALS. Such revised goals shall be set at a level intended to assist in overcoming the impact of discrimination on such businesses. Such review shall be conducted in 2015 and at least once every two years thereafter.

e. Responsibilities of the division.

(1) The division shall create and maintain and periodically update directories by industry classification of MBES, WBES, VBES and EBES which it shall supply to all agencies, post on its website and on other relevant city websites and make available for dissemination and/or public inspection at its offices and other locations within each borough.

(2) The division shall make its resources available to assist agencies and contractors in (i) determining the availability of MBES, WBES, VBES and EBES to participate in their contracts as prime contractors and/or subcontractors; and (ii) identifying opportunities appropriate for participation by MBES, WBES, VBES and EBES in contracts.

(3) The division shall develop and maintain relationships with organizations representing contractors, including MBES, WBES, VBES and EBES, and solicit their support and assistance in efforts to increase participation of MBES, WBES, VBES and EBES in city procurement.

(4) The division shall coordinate with city and state entities that maintain databases of MBES, WBES, VBES and EBES and work to enhance city availability data and directories.

1 (5) The division shall keep agency M/WBE AND VBE officers informed of  
2 conferences, contractor fairs, and other services that are available to  
3 assist them in pursuing the objectives of this section.

4 (6) The division shall conduct, coordinate and facilitate technical  
5 assistance and educational programs for MBES, WBES, VBES and EBES and  
6 other contractors designed to enhance participation of MBES, WBES, VBES  
7 and EBES in city procurement. The division shall further develop a  
8 clearinghouse of information on programs and services available to MBES,  
9 WBES, VBES and EBES. The division shall conduct meetings with MBES,  
10 WBES, VBES and EBES to discuss what agencies look for in evaluating bids  
11 and proposals. The division shall also educate prime contractors on  
12 opportunities to partner or subcontract with certified MBES, WBES, VBES  
13 and EBES.

14 (7) The division shall develop standardized forms and reporting docu-  
15 ments for agencies and contractors to facilitate the reporting require-  
16 ments of this section.

17 (8) The division shall direct and assist agencies in their efforts to  
18 increase participation by MBES, WBES, VBES and EBES in any city-operated  
19 financial, technical, and management assistance program.

20 (9) The division shall study and recommend to the commissioner methods  
21 to streamline the M/WBE, VBE and EBE certification process.

22 (10) Each fiscal year the division, in consultation with the city  
23 chief procurement officer, shall audit at least 5% of all open contracts  
24 for which contractor utilization plans have been established in accord-  
25 ance with subdivision i of this section and 5% of all contracts awarded  
26 to MBES, WBES, VBES, and EBES to assess compliance with this section.  
27 All solicitations for contracts for which contractor utilization plans  
28 are to be established shall include notice of potential audit.

29 (11) The division shall assist agencies in identifying and seeking  
30 ways to reduce or eliminate practices such as bonding requirements or  
31 delays in payment by prime contractors that may present barriers to  
32 competition by MBES, WBES, VBES and EBES.

33 (12) The division shall encourage prime contractors to enter joint  
34 venture agreements with MBES, WBES, VBES and EBES.

35 (13) (a) The division shall, upon reviewing applications for certifi-  
36 cation and recertification, determine whether a firm qualifies as a  
37 graduate MBE, WBE, VBE or EBE.

38 (b) The division shall promulgate regulations establishing a process  
39 by which a certified MBE, WBE, VBE or EBE may challenge a determination  
40 that it qualifies as a graduate MBE, WBE, VBE or EBE.

41 (c) At any time more than two years after the division has determined  
42 that a firm qualifies as a graduate MBE, WBE, VBE or EBE, the firm may  
43 apply to have such designation lifted. The division shall lift the  
44 designation if the firm demonstrates that it has been below the size  
45 standards established by the United States small business administration  
46 for its industry for a period of two years or more.

47 f. Responsibilities of agency M/WBE AND VBE officers. Each agency head  
48 shall designate a deputy commissioner or other executive officer to act  
49 as the agency M/WBE AND VBE officer who shall be directly accountable to  
50 the agency head concerning the activities of the agency in carrying out  
51 its responsibilities pursuant to this section, including the responsi-  
52 bilities relating to EBE participation. The duties of the M/WBE AND VBE  
53 officer shall include, but not be limited to:

54 (1) creating the agency's utilization plan in accordance with subdivi-  
55 sion g of this section;

56 (2) acting as the agency's liaison with the division;

(3) acting as a liaison with organizations and/or associations of MBES, WBES, VBES and EBES, informing such organizations and/or associations of the agency's procurement procedures, and advising them of future procurement opportunities;

(4) ensuring that agency bid solicitations and requests for proposals are sent to MBES, WBES, VBES and EBES in a timely manner, consistent with this section and rules of the procurement policy board;

(5) referring MBES, WBES, VBES and EBES to technical assistance services available from agencies and other organizations;

(6) reviewing requests for waivers and/or modifications of participation goals and contractor utilization plans in accordance with paragraphs 11 and/or 12 of subdivision i of this section;

(7) working with the division and city chief procurement officer in creating directories as required pursuant to subdivision k of this section. In fulfilling this duty, the agency M/WBE AND VBE officer shall track and record each contractor that is an MBE, WBE, VBE or EBE and each subcontractor hired pursuant to such officer's agency contracts that is an MBE, WBE, VBE or EBE, and shall share such information with the director, the commissioner, and the city chief procurement officer;

(8) for contracts for which contractor utilization plans have been established pursuant to subdivision i of this section, monitoring each contractor's compliance with its utilization plan by appropriate means, which shall include, but need not be limited to, job site inspections, contacting MBES, WBES, VBES and EBES identified in the plan to confirm their participation, and auditing the contractor's books and records;

(9) monitoring the agency's procurement activities to ensure compliance with its agency utilization plan and progress towards the participation goals as established in such plan;

(10) providing to the city chief procurement officer information for the reports required in subdivision l of this section and providing any other plans and/or reports required pursuant to this section or requested by the director and/or the city chief procurement officer; and

(11) participating in meetings required pursuant to subdivision m of this section.

g. Agency utilization plans.

(1) Beginning May 15, 2006, and on April 1 of each year thereafter, each agency which, during the fiscal year which ended on June 30 of the preceding year, has made procurements in excess of five million dollars, without counting procurements that are exempt pursuant to paragraph two of subdivision q of this section, shall submit an agency utilization plan for the fiscal year commencing in July of the year when such plan is to be submitted to the commissioner. Upon approval by the commissioner such plan shall be submitted to the speaker of the council. Each such plan shall, at a minimum, include the following:

(a) the agency's participation goals for MBES, WBES, VBES and EBES for the year, provided however, that when setting its goals, each agency shall consider the citywide goals, the size and nature of its own procurement portfolio (excluding contracts described in paragraph two of subdivision q of this section), and the availability of MBES, WBES, VBES and EBES with the capacity to perform the specific types and scale of work for which the agency anticipates it will solicit procurements during the year;

(b) an explanation for any agency goal that is different than the participation goal for the relevant group and industry classification as determined pursuant to subdivision d of this section;

1 (c) a list of the names and titles of agency personnel responsible for  
2 implementation of the agency utilization plan;

3 (d) methods and relevant activities proposed for achieving the agen-  
4 cy's participation goals; and

5 (e) any other information which the agency or the commissioner deems  
6 relevant or necessary.

7 (2) An agency utilization plan shall set forth specific participation  
8 goals for MBES, WBES, VBES and/or EBES for purchases of professional  
9 services, standard services, construction and goods valued at or below  
10 twenty thousand dollars, and for purchases of professional services,  
11 standard services, construction and goods valued at or below one hundred  
12 thousand dollars. When setting its goals for such purchases, in addition  
13 to the factors set forth in paragraph (1) of this subdivision, each  
14 agency shall specifically consider the potential for such purchases to  
15 provide opportunities for MBES, WBES, VBES and EBES to develop greater  
16 capacity, thereby increasing competition for city procurements.

17 (3) An agency utilization plan may be amended from time to time to  
18 reflect changes in the agency's projected expenditures or other relevant  
19 circumstances and resulting changes in such agency's participation  
20 goals. Such amendments shall be submitted to the commissioner, the city  
21 chief procurement officer and the speaker of the council at least thirty  
22 days prior to implementation.

23 (4) Prior to approving individual agency utilization plans, the  
24 commissioner, in consultation with the city chief procurement officer,  
25 shall consider whether such plans viewed in the aggregate establish any  
26 goals exceeding the corresponding citywide goals set forth in subdivi-  
27 sion d of this section. If any aggregated goals are found to exceed the  
28 corresponding citywide goal, the commissioner shall require agencies to  
29 adjust their goals so that plans, viewed in the aggregate, do not estab-  
30 lish goals exceeding the citywide goals. Nothing in this paragraph shall  
31 be construed to limit the awards of contracts and subcontracts that may  
32 be made to MBES, WBES, VBES and EBES without using goals.

33 (5) The commissioner, in consultation with the city chief procurement  
34 officer, shall, no later than July 31 of each year, publish on the divi-  
35 sion's website a plan and schedule for each agency detailing the antic-  
36 ipated contracting actions for the upcoming fiscal year that form the  
37 basis for the agency utilization plan of each such agency. The plan and  
38 schedule shall include information specific to each prospective invita-  
39 tion for bids, request for proposal, or other solicitation, including,  
40 but not limited to, the specific type and scale of the services and/or  
41 goods to be procured, the term of the proposed contract, the method of  
42 solicitation the agency intends to utilize, and the anticipated fiscal  
43 year quarter of the planned solicitation.

44 h. Achieving agency participation goals.

45 (1) Each agency head shall be directly accountable for the goals set  
46 forth in his or her agency's utilization plan.

47 (2) Each agency shall make all reasonable efforts to meet the partic-  
48 ipation goals established in its agency utilization plan. Agencies  
49 shall, at a minimum, use the following methods to achieve participation  
50 goals:

51 (a) Agencies shall engage in outreach activities to encourage MBES,  
52 WBES, VBES and EBES to compete for all facets of their procurement  
53 activities, including contracts awarded by negotiated acquisition, emer-  
54 gency and sole source contracts, and each agency shall seek to utilize  
55 MBES, WBES, VBES and/or EBES for all types of goods, services and  
56 construction they procure.

1 (b) Agencies shall encourage eligible businesses to apply for certifi-  
2 cation as MBES, WBES, VBES and EBES and inclusion in the directories of  
3 MBES, WBES, VBES and EBES. Agencies shall also encourage MBES, WBES,  
4 VBES and EBES to have their names included on their bidders lists, seek  
5 pre-qualification where applicable, and compete for city business as  
6 contractors and subcontractors. Agencies are encouraged to advertise  
7 procurement opportunities in general circulation media, trade and  
8 professional association publications and small business media, and  
9 publications of minority [and], women's AND VETERANS' business organiza-  
10 tions, and send written notice of specific procurement opportunities to  
11 minority [and], women's AND VETERANS' business organizations.

12 (c) All agency solicitations for bids or proposals shall include  
13 information referring potential bidders or proposers to the directories  
14 of MBES, WBES, VBES and EBES prepared by the division.

15 (d) In planning procurements, agencies shall consider the effect of  
16 the scope, specifications and size of a contract on opportunities for  
17 participation by MBES, WBES, VBES and EBES.

18 (e) Prior to soliciting bids or proposals for contracts valued at over  
19 ten million dollars, other than contracts for capital projects valued at  
20 over twenty-five million dollars and contracts that are exempt pursuant  
21 to paragraph two of subdivision q of this section, an agency shall  
22 submit the bid or proposal to the city chief procurement officer for a  
23 determination whether it is practicable to divide the proposed contract  
24 into smaller contracts and whether doing so will enhance competition for  
25 such contracts among MBES, WBES, VBES and EBES and other potential  
26 bidders or proposers. If the city chief procurement officer determines  
27 that it is both practicable and advantageous in light of cost and other  
28 relevant factors to divide such contracts into smaller contracts, then  
29 he or she shall direct the agency to do so.

30 (f) Agencies shall examine their internal procurement policies, proce-  
31 dures and practices and, where practicable, address those elements, if  
32 any, that may negatively affect participation of MBES, WBES, VBES and  
33 EBES in city procurement.

34 i. Participation goals for contracts for construction and professional  
35 and standard services.

36 (1) Prior to issuing the solicitation of bids or proposals for indi-  
37 vidual contracts, agencies shall establish participation goals for MBES,  
38 WBES, VBES and/or EBES. Such goals may be greater than, less than or the  
39 same as the relevant citywide goal or goals established pursuant to  
40 subdivision d of this section. Taking into account the factors listed in  
41 this subdivision, an agency may establish a goal for a procurement that  
42 may be achieved by a combination of prime contract and subcontract  
43 dollars, a combination of construction and services performed pursuant  
44 to the contract, and/or a combination of MBES, WBES, VBES and/or EBES.  
45 Alternatively, an agency may establish specific goals for particular  
46 types of services, and/or goals for particular types of certified firms.  
47 In determining the participation goals for a particular contract, an  
48 agency shall consider the following factors:

49 (a) the scope of work;

50 (b) the availability of MBES, WBES, VBES and EBES able to perform the  
51 particular tasks required in the contract;

52 (c) the extent to which the type and scale of work involved in the  
53 contract present prime contracting and subcontracting opportunities for  
54 amounts within the capacity of MBES, WBES, VBES and EBES;

55 (d) the agency's progress to date toward meeting its annual partic-  
56 ipation goals through race-neutral, gender-neutral and other means, and

1 the agency's expectations as to the effect such methods will have on  
2 participation of MBEs, WBEs, VBES and EBEs in the agency's future  
3 contracts; and

4 (e) any other factors the contracting agency deems relevant.

5 (2) A contracting agency shall not be required to establish partic-  
6 ipation goals for

7 (i) procurements described in subdivision q of this section; or

8 (ii) when the agency has already attained the relevant goal in its  
9 annual utilization plan, or expects that it will attain such goal with-  
10 out the use of such participation goals.

11 (3) For each contract in which a contracting agency has established  
12 participation goals, such agency shall state in the solicitation for  
13 such contract that bidders and/or proposers shall be required to agree  
14 as a material term of the contract that the contractor shall meet the  
15 participation goals unless such goals are waived or modified by the  
16 agency in accordance with this section. A contractor that is an MBE,  
17 WBE, VBE or EBE shall be permitted to count its own participation toward  
18 fulfillment of the relevant participation goal, provided that the value  
19 of such a contractor's participation shall be determined by subtracting  
20 from the total value of the contract any amounts that the contractor  
21 pays to direct subcontractors. A contractor that is a qualified joint  
22 venture shall be permitted to count a percentage of its own partic-  
23 ipation toward fulfillment of the relevant participation goal. The value  
24 of such a contractor's participation shall be determined by subtracting  
25 from the total value of the contract any amounts that the contractor  
26 pays to direct subcontractors, and then multiplying the remainder by the  
27 percentage to be applied to total profit to determine the amount to  
28 which an MBE, WBE, VBE or EBE is entitled pursuant to the joint venture  
29 agreement. Notwithstanding any provision of this paragraph to the  
30 contrary, a contractor's achievement of participation goals shall be  
31 determined as described in paragraph two of subdivision j of this  
32 section.

33 (4) For each contract in which participation goals are established,  
34 the agency shall include in its solicitation and/or bidding materials a  
35 referral to the directories prepared by the division pursuant to this  
36 section.

37 (5) For each contract for which participation goals are established,  
38 the contractor shall be required to submit with its bid or proposal a  
39 contractor utilization plan indicating:

40 (a) whether the contractor is an MBE, WBE, VBE, EBE, or a qualified  
41 joint venture;

42 (b) the percentage of work it intends to award to direct subcontrac-  
43 tors; and

44 (c) in cases where the contractor intends to award direct subcon-  
45 tracts, a description of the type and dollar value of work designated  
46 for participation by MBEs, WBEs, VBES and/or EBEs, and the time frames  
47 in which such work is scheduled to begin and end.

48 When the contractor utilization plan indicates that the bidder or  
49 proposer does not intend to meet the participation goals, the bid or  
50 proposal shall not be deemed responsive unless the agency has granted a  
51 pre-award request for change pursuant to paragraph 11 of this subdivi-  
52 sion.

53 (6) (a) For each contract for which a contractor utilization plan has  
54 been submitted, the contracting agency shall require that within thirty  
55 days of the issuance of notice to proceed, and at least once per year  
56 thereafter, the contractor submit a list of persons to which it intends

1 to award subcontracts within the next twelve months. In the event that a  
2 contracting agency disapproves a contractor's selection of a subcontractor  
3 or subcontractors, the contracting agency shall allow such contractor  
4 a reasonable time to propose alternate subcontractors.

5 (b) The contracting agency may also require the contractor to report  
6 periodically about the contracts awarded by its direct subcontractors to  
7 indirect subcontractors.

8 (7) For each contract for which a contractor utilization plan has been  
9 submitted, the contractor shall, with each voucher for payment, and/or  
10 periodically as the agency may require, submit statements, certified  
11 under penalty of perjury, which shall include, but not be limited to,  
12 the total amount the contractor paid to its direct subcontractors, and,  
13 where applicable pursuant to subparagraph (1) of paragraph (1) of subdivision  
14 j of this section, the total amount direct subcontractors paid to  
15 indirect subcontractors, the names, addresses and contact numbers of  
16 each MBE, WBE, VBE or EBE hired as a subcontractor by the contractor or  
17 any of the contractor's direct subcontractors, as well as the dates and  
18 amounts paid to each MBE, WBE, VBE or EBE. The contractor shall also  
19 submit, along with its voucher for final payment, the total amount it  
20 paid to subcontractors, and, where applicable pursuant to subparagraph  
21 (1) of paragraph (1) of subdivision j of this section, the total amount  
22 its direct subcontractors paid directly to their indirect subcontractors;  
23 and a final list, certified under penalty of perjury, which shall  
24 include the name, address and contact information of each subcontractor  
25 that is an MBE, WBE, VBE or EBE, the work performed by, and the dates  
26 and amounts paid to each.

27 (8) If payments made to, or work performed by, MBEs, WBEs, VBES or  
28 EBEs are less than the amount specified in the contractor's utilization  
29 plan, the agency shall take appropriate action in accordance with subdivision  
30 o of this section, unless the contractor has obtained a modification  
31 of its utilization plan pursuant to paragraph 12 of this subdivision.  
32

33 (9) When advertising a solicitation for bids or proposals for a  
34 contract for which a participation goal has been established, agencies  
35 shall include in the advertisement a general statement that the contract  
36 will be subject to participation goals for MBEs, WBEs, VBES and/or EBEs.

37 (10) In the event that a contractor with a contract that includes a  
38 contractor utilization plan submits a request for a change order the  
39 value of which exceeds the greater of ten percent of such contract or  
40 \$500,000, the agency shall review the scope of work for the contract,  
41 and the scale and types of work involved in the change order, and determine  
42 whether the participation goals should be modified.

43 (11) Requests from bidders or proposers for changes in participation  
44 goals.

45 (a) A bidder or proposer may request that an agency change the participation  
46 goal or goals established for the procurement on the grounds  
47 that goals are unreasonable in light of the availability of certified  
48 firms to perform the services required, or by demonstrating that it has  
49 legitimate business reasons for proposing a lower level of subcontracting  
50 in its utilization plan.

51 (b) If the contracting agency determines that the participation goals  
52 established for the procurement are unreasonable in light of the availability  
53 of certified firms to perform the services required, it shall  
54 revise the solicitation and extend the deadline for bids and proposals.

55 (c) Subject to subparagraph (d) of this paragraph, the contracting  
56 agency may grant a full or partial waiver of the participation goals to

1 a bidder or proposer who demonstrates that it has legitimate business  
2 reasons for proposing the level of subcontracting in its utilization  
3 plan. The contracting agency shall make its determination in light of  
4 factors that shall include, but not be limited to, whether the bidder or  
5 proposer has the capacity and the bona fide intention to perform the  
6 contract without any subcontracting, or to perform the contract without  
7 awarding the amount of subcontracts represented by the participation  
8 goals. In making such determination, the agency may consider whether the  
9 utilization plan is consistent with past subcontracting practices of the  
10 bidder or proposer, whether the bidder or proposer has made efforts to  
11 form a joint venture with a certified firm, and whether the bidder or  
12 proposer has made good faith efforts to identify portions of the  
13 contract that it intends to subcontract. The city chief contracting  
14 officer shall notify the council of any such waiver granted with respect  
15 to a registered contract in the quarterly report required pursuant to  
16 subdivision 1 of this section.

17 (d) The agency M/WBE AND VBE officer shall provide written notice of  
18 requests for a full or partial waiver of the participation goals to the  
19 division and the city chief procurement officer and shall not approve  
20 any such request without the approval of the city chief procurement  
21 officer, provided that the city chief procurement officer, upon adequate  
22 assurances of an agency's ability to administer its utilization plan in  
23 accordance with the provisions of this section, may determine that  
24 further approval from the city chief procurement officer is not required  
25 with respect to such requests for an agency's contracts or particular  
26 categories of an agency's contracts. The city chief procurement officer  
27 shall notify the speaker of the council in writing in the quarterly  
28 report required pursuant to subdivision 1 of this section following the  
29 registration of a contract for which a request for a full or partial  
30 waiver of a participation goal was granted, provided that where an agen-  
31 cy has been authorized to grant waivers without approval of the chief  
32 procurement officer, such notice shall be provided to the speaker of the  
33 council by the agency. Such notification shall include, but not be  
34 limited to, the name of the contractor, the original participation goal,  
35 the waiver request, including all documentation, and an explanation for  
36 the approval of such request.

37 (12) Modification of utilization plans at contractor's request or  
38 agency's initiative. (a) A contractor may request modification of its  
39 utilization plan after the award of a contract. Subject to subparagraph  
40 (b) of this paragraph, an agency may grant such request if it determines  
41 that such contractor has established, with appropriate documentary and  
42 other evidence, that it made all reasonable, good faith efforts to meet  
43 the goals set by the agency for the contract. In making such determi-  
44 nation, the agency shall consider evidence of the following efforts, as  
45 applicable, along with any other relevant factors:

46 (i) The contractor advertised opportunities to participate in the  
47 contract, where appropriate, in general circulation media, trade and  
48 professional association publications and small business media, and  
49 publications of minority [and], women's AND VETERANS' business organiza-  
50 tions;

51 (ii) The contractor provided notice of specific opportunities to  
52 participate in the contract, in a timely manner, to minority [and],  
53 women's AND VETERANS' business organizations;

54 (iii) The contractor sent written notices, by certified mail or  
55 facsimile, in a timely manner, to advise MBEs, WBEs, VBES or EBEs that  
56 their interest in the contract was solicited;

1 (iv) The contractor made efforts to identify portions of the work that  
2 could be substituted for portions originally designated for partic-  
3 ipation by MBES, WBES, VBES and/or EBES in the contractor utilization  
4 plan, and for which the contractor claims an inability to retain MBES,  
5 WBES, VBES or EBES;

6 (v) The contractor held meetings with MBES, WBES, VBES and/or EBES  
7 prior to the date their bids or proposals were due, for the purpose of  
8 explaining in detail the scope and requirements of the work for which  
9 their bids or proposals were solicited;

10 (vi) The contractor made efforts to negotiate with MBES, WBES, VBES  
11 and/or EBES as relevant to perform specific subcontracts, or act as  
12 suppliers or service providers;

13 (vii) Timely written requests for assistance made by the contractor to  
14 the agency M/WBE AND VBE liaison officer and to the division; and

15 (viii) Description of how recommendations made by the division and the  
16 contracting agency were acted upon and an explanation of why action upon  
17 such recommendations did not lead to the desired level of participation

20 requests for such modifications to the division and the city chief

25 accordance with the provisions of this section, may determine that  
26 further approval from the city chief procurement officer is not required  
27 with respect to such requests for an agency's contracts or particular  
28 categories of an agency's contracts. The city chief procurement officer,  
29 shall notify the speaker of the council in writing within seven days of

33 provided to the speaker of the council by the agency. Such notification  
34 shall include, but not be limited to, the name of the contractor, the  
35 original utilization plan, the modification request, including all  
36 documentation, and an explanation for the approval of such request.

37 (c) An agency may modify the participation goals established for a  
38 procurement when the scope of the work has been changed by the agency in

48 ment shall be a part of the contractor's overall contract performance  
49 evaluation required pursuant to section 333 of the charter.

50 j. Determining credit for MBE, WBE, VBE and EBE participation.

51 (1) An agency's achievement of its annual goals shall be calculated as  
52 follows:

53 (a) The dollar amount that an agency has paid or is obligated to pay  
54 to a prime contractor that is an MBE, WBE, VBE or EBE, reduced by the  
55 dollar amount the contractor has paid or is obligated to pay its direct  
56 subcontractors upon their completion of work, shall be credited toward

1 the relevant goal. Where an agency has paid or is obligated to pay a  
2 prime contractor that is both an MBE and a WBE, such amount shall be  
3 credited toward the relevant goal for MBES or the goal for WBES. WHERE  
4 AN AGENCY HAS PAID OR IS OBLIGATED TO PAY A PRIME CONTRACTOR THAT IS  
5 BOTH AN MBE OR WBE AND A VBE, SUCH AMOUNT SHALL BE CREDITED TOWARD THE  
6 RELEVANT GOAL FOR MBES OR WBES, AS APPLICABLE, OR THE GOAL FOR VBES.

7 (b) Except as provided in subparagraph (c) of this paragraph, the  
8 total dollar amount that a prime contractor of an agency has paid or is  
9 obligated to pay to a direct subcontractor that is an MBE, WBE, VBE or  
10 EBE shall be credited toward the relevant goal. Where such a contractor  
11 has paid or is obligated to pay a direct subcontractor that is both an  
12 MBE and a WBE, such amount shall be credited toward the relevant goal  
13 for MBES or the goal for WBES. WHERE SUCH A CONTRACTOR HAS PAID OR IS  
14 OBLIGATED TO PAY A DIRECT SUBCONTRACTOR THAT IS BOTH AN MBE OR WBE AND A  
15 VBE, SUCH AMOUNT SHALL BE CREDITED TOWARD THE RELEVANT GOAL FOR MBES OR  
16 WBES, AS APPLICABLE, OR THE GOAL FOR VBES.

17 (c) In the case of contracts of the types identified pursuant to  
18 subparagraph (1) of this paragraph, the total dollar amount that a prime  
19 contractor of an agency has paid or is obligated to pay a direct subcon-  
20 tractor that is an MBE, WBE, VBE or EBE, reduced by the dollar amount  
21 the direct subcontractor has paid or is obligated to pay its indirect  
22 subcontractors upon completion of work, shall be credited toward the  
23 relevant goal. Where such a contractor has paid or is obligated to pay a  
24 direct contractor that is both an MBE and a WBE, such amount shall be  
25 credited toward the relevant goal for MBES or the goal for WBES. WHERE  
26 SUCH CONTRACTOR HAS PAID OR IS OBLIGATED TO PAY A DIRECT CONTRACTOR THAT  
27 IS BOTH AN MBE OR WBE AND A VBE, SUCH AMOUNT SHALL BE CREDITED TOWARD  
28 THE RELEVANT GOAL FOR MBES OR WBES, AS APPLICABLE, OR THE GOAL FOR VBES.

29 (d) In the case of contracts of the types identified pursuant to  
30 subparagraph (1) of this paragraph, the total dollar amount that a  
31 direct subcontractor of the prime contractor has paid or is obligated to  
32 pay to an indirect subcontractor that is an MBE, WBE, VBE or EBE shall  
33 be credited toward the relevant goal. Where such a contractor has paid  
34 or is obliged to pay an indirect contractor that is both an MBE and a  
35 WBE, such amount shall be credited toward the relevant goal for MBES or  
36 the goal for WBES. WHERE SUCH A CONTRACTOR HAS PAID OR IS OBLIGATED TO  
37 PAY A DIRECT CONTRACTOR THAT IS BOTH AN MBE OR WBE AND A VBE, SUCH  
38 AMOUNT SHALL BE CREDITED TOWARD THE RELEVANT GOAL FOR MBES OR WBES, AS  
39 APPLICABLE, OR THE GOAL FOR VBES.

40 (e) For requirements contracts, credit shall be given for the actual  
41 dollar amount paid under the contract.

42 (f) Where one or more MBES, WBES, VBES or EBES is participating in a  
43 qualified joint venture, the amounts that the joint venture is required  
44 to pay its direct subcontractors shall be subtracted as provided in  
45 subparagraph (a) of this paragraph, and then a percentage of the remain-  
46 ing dollar amount of the contract equal to the percentage of total  
47 profit to which MBES, WBES, VBES or EBES are entitled pursuant to the  
48 joint venture agreement shall be credited toward the relevant goal.  
49 Where such a participant in a joint venture is both an MBE and a WBE,  
50 such amount shall be credited toward the relevant goal for MBES or the  
51 goal for WBES. WHERE SUCH A CONTRACTOR HAS PAID OR IS OBLIGATED TO PAY  
52 A DIRECT CONTRACTOR THAT IS BOTH AN MBE OR WBE AND A VBE, SUCH AMOUNT  
53 SHALL BE CREDITED TOWARD THE RELEVANT GOAL FOR MBES OR WBES, AS APPLICA-

5 any company that has not been certified as an MBE, WBE, VBE or EBE in  
6 accordance with section 1304 of the charter.

7 (i) In the case of a contract for which the contractor is paid on a  
8 commission basis, the dollar amount of the contract may be determined on  
9 the basis of the commission earned or reasonably anticipated to be  
10 earned under the contract.

11 (j) No credit shall be given to a contractor for participation in a  
12 contract by a graduate MBE, WBE, VBE or EBE.

13 (k) The participation of a certified company shall not be credited  
14 toward more than one participation goal.

15 (1) The city chief procurement officer may identify types of contracts  
16 where payments to indirect subcontractors shall be credited toward the  
17 relevant participation goals.

18 (2) A contractor's achievement of its participation goals established  
19 in its utilization plan shall be calculated as follows:

20 (a) A contractor's use of direct subcontractors and their indirect  
21 subcontractors toward achievement of each goal established in its utili-  
22 zation plan shall be calculated in the same manner as described for  
23 calculating the achievement of agency utilization goals as described in  
24 paragraph (1) of this subdivision, except that a contractor's use of a  
25 subcontractor that is both an MBE and a WBE, OR IS AN MBE OR WBE AND

27 more than one goal;

28 (b) A contractor that is an MBE, WBE, VBE or EBE shall be permitted to  
29 count its own participation toward fulfillment of the relevant partic-  
30 ipation goal, provided that the value of such a contractor's partic-  
31 ipation shall be determined by subtracting from the total value of the  
32 contract any amounts that the contractor pays to direct subcontractors,  
33 and provided further that a contractor that is both an MBE and a WBE, OR  
34 IS AN MBE OR WBE AND ALSO A VBE, shall not be credited for its partic-  
35 ipation toward more than one goal;

36 (c) No credit shall be given to the contractor for the participation  
37 of a company that is not certified in accordance with section 1304 of  
38 the charter before the date that the subcontractor completes the work  
39 under the subcontract.

40 (d) A contractor that is a qualified joint venture shall be permitted  
41 to count a percentage of its own participation toward fulfillment of the  
42 relevant participation goal. The value of such a contractor's partic-  
43 ipation shall be determined by subtracting from the total value of the  
44 contract any amounts that the contractor pays to direct subcontractors,  
45 and then multiplying the remainder by the percentage to be applied to  
46 total profit to determine the amount to which an MBE, WBE, VBE or EBE is  
47 entitled pursuant to the joint venture agreement; provided that where  
48 such a participant in a joint venture is both an MBE and a WBE, OR IS AN  
49 MBE OR A WBE AND ALSO A VBE, such amount shall not be credited toward  
50 more than one goal.
