Notwithstanding any other provision of law to the contrary, the OGS Interchange and Transfer Authority and the IT Interchange and Transfer Authority as defined in the 2014-15 state fiscal year state operations appropriation for the budget division program of the division of the budget, are deemed fully incorporated herein and a part of this appropriation as if fully stated.

Notwithstanding any law to the contrary, up to $4,260,000 of the amount herein appropriated shall be used to support an independent division of election law enforcement. The head of such division, which shall be the chief enforcement counsel, shall be appointed by the governor for a fixed term of 4 years, with the advice and consent of the senate, with such consent determined by a vote of the senate within 30 days of the nomination by the governor. The chief enforcement counsel may only be removed for good cause and solely by the governor. Within the appropriations available to the division, the chief enforcement counsel shall have sole authority over personnel decisions within such division and all hiring decisions made by the chief enforcement counsel shall be made without regard to political affiliation.

Notwithstanding any inconsistent provisions of law to the contrary, the chief enforcement counsel shall use the amounts appro-

priated herein, and shall have authority to investigate on his or her own initiative or upon complaint alleged violations of article 14 of the election law and other statutes governing campaigns, elections and related procedures, and upon receipt of a complaint and supporting information alleging any violation of the election law, analyze the complaint to determine if an investigation should be undertaken and if necessary obtain additional information from the complainant or from other sources to assist such counsel in making this determination. Such analysis shall include whether the allegations, if true would constitute a violation of the election law and whether the allegations are supported by credible evidence. If the chief enforcement counsel determines that the allegations if true would not constitute a violation of the election law or that the allegations are not supported by credible evidence, the chief enforcement counsel shall issue a letter to the complainant dismissing the complaint.

Notwithstanding any law to the contrary, the chief enforcement counsel shall use the amounts appropriated herein and shall have the power to fully investigate violations of the election law, including the power to issue subpoenas and to apply for search warrants pursuant to article 690 of the criminal procedure law, and, except in exigent circumstances, shall give prior notice of the application to the district attorney of the county in which such warrant is to be executed and in such exigent circumstances give such notice as soon thereafter as is practicable; provided, however that the failure to give notice of a search warrant application to a district attorney shall not be a ground to suppress the evidence seized in executing the warrant. The chief enforcement counsel shall be further authorized to use the full investigative powers of the state board of elections, as provided by law including but not limited to those contained in subdivisions 3, 4, 5 and 6 of section 3-102 of the election law. The chief enforcement counsel may, after

consultation with the district attorney as to the time and place of such attendance or appearance, attend in person any term of the county court or supreme court having appropriate jurisdiction, including an extraordinary special or trial term of the supreme court when one is appointed pursuant to section 149 of the judiciary law, or appear before the grand jury thereof, for the purpose of managing and conducting in such court or before such jury a criminal action or proceeding concerned with a criminal violation of the election law. In such cases, such chief enforcement counsel or his or her assistant so attending may exercise all the powers and perform all the duties in respect of such actions or proceedings which the district attorney would otherwise be authorized or required to exercise or perform. The chief enforcement counsel may request, and shall receive, the assistance of the state police in any investigation he or she shall conduct.

Notwithstanding any law to contrary, at the conclusion of his or her investigation, if the chief enforcement counsel believes that an action other than a criminal prosecution is warranted, he or she shall select a hearing officer from a list of prospective hearing officers each approved by a two-thirds majority of the board, to whom he or she shall provide a written report with recommendations as to: (a) whether substantial reason exists to believe a violation of the election law had occurred and if so the nature of the violation and the applicable penalty, based upon the nature of the violation; (b) whether the matter should be resolved before that hearing officer, extrajudicially; and(c) whether a special proceeding should be commenced in supreme court to recover a civil penalty based on a preponderance of the evidence, should the hearing officer so find. After receiving such report, the hearing officer shall make findings of fact and conclusions of law as to whether such a violation has been established and who is guilty of such violation, on notice to and with an opportunity for the individual or entity

accused of any violations to present evidence and be heard and with an opportunity for the chief enforcement counsel to so be heard. The chief enforcement counsel shall adopt said report of the hearing officer and shall commence a special proceeding in the supreme court pursuant to sections 16-100,16-114 and 16-116 of the election law should the findings of fact and conclusions of law support the commencement of such proceeding. If the state board of elections fails to produce a list of eligible hearing officers, the chief enforcement counsel may commence a special proceeding as provided herein in accordance with recommendations made in his or her report.

If the chief enforcement counsel determines, as provided herein, that reasonable cause exists to believe a violation warranting criminal prosecution has taken place, he or she shall commence a criminal action or refer such matter to the district attorney with jurisdiction over the matter or the attorney general to commence a criminal action as such term is defined in the criminal procedure law.

Notwithstanding any law to contrary, upon notification that a special proceeding has been commenced by a party other than the state board of elections, pursuant to section 16-114 of the election law, the chief enforcement counsel shall use the amounts appropriated herein to investigate the alleged violations unless otherwise directed by the court.

Notwithstanding any law to the contrary, the chief enforcement counsel shall prepare an annual report to the governor, the state board of elections and the legislature, summarizing the activities of the division of election law enforcement during the previous year as financed by these appropriations.

Notwithstanding any law to the contrary, and when executing these appropriations, the chief enforcement counsel when acting pursuant to his or her duties in matters arising under the election law shall be considered a district attorney as defined in subdivision 32 of section 1.20 of the criminal procedure law.

appropriated within the department of health, in the aggregate, for the period April 1, 2014 through March 31, 2015, shall not exceed $17,082,871,000 except as provided below and state share medicaid spending, in the aggregate, for the period April 1, 2015 through March 31, 2016, shall not exceed $17,937,867,000, but in no event shall department of health state funds medicaid spending for the period April 1, 2014 through March 31, 2016 exceed $35,020,738,000 provided, however, such aggregate limits may be adjusted by the director of the budget to account for any changes in the New York state federal medical assistance percentage amount established pursuant to the federal social security act, increases in provider revenues, reductions in local social services district payments for medical assistance administration and beginning April 1, 2013 the operational costs of the New York state medical indemnity fund, pursuant to a chapter establishing such fund. Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency. The director of the budget, in consultation with the commissioner of health, shall assess on a monthly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation plan to limit such spending to the aggregate limit specified herein for such period.

Such medicaid savings allocation plan shall be designed, to reduce the expenditures authorized by the appropriations herein in

compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation plan that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services contributed to department of health medicaid state funds spending in excess of the limits specified herein; the need to maintain safety net services in underserved communities; or the potential benefits of pursuing innovative payment models contemplated by the Affordable Care Act, in which case such grounds shall be set forth in the medicaid savings allocation plan; and (5) reductions shall be made in a manner that does not unnecessarily create administrative burdens to medicaid applicants and recipients or providers.

The commissioner shall seek the input of the legislature, as well as organizations representing health care providers, consumers, businesses, workers, health insurers, and others with relevant expertise, in developing such medicaid savings allocation plan, to the extent that all or part of such plan, in the discretion of the commissioner, is likely to have a material impact on the overall medicaid program, particular categories of service or particular geographic regions of the state.

(a) The commissioner shall post the medicaid savings allocation plan on the department of health's website and shall provide written copies of such plan to the chairs of the senate finance and the assembly ways and means committees at least 30 days before the date on which implementation is expected to begin.

(b) The commissioner may revise the medicaid savings allocation plan subsequent to the provisions of notice and prior to implementation but need provide a new notice pursuant to subparagraph (i) of this paragraph only if the commissioner determines, in his or her discretion, that such revisions materially alter the plan.

Notwithstanding the provisions of paragraphs (a) and (b) of this subdivision, the commissioner need not seek the input described in paragraph (a) of this subdivision or provide notice pursuant to paragraph (b) of this paragraph if, in the discretion of the commissioner, expedited development and implementation of a medicaid savings allocation plan is necessary due to a public health emergency.

For purposes of this section, a public health emergency is defined as: (i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a monthly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision 1 of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation plan implemented pursuant to subdivision 4 of this section, including information concerning the impact of such actions on each category of service and

each geographic region of the state. Each such monthly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

The money hereby appropriated is available for payment of aid heretofore and hereafter accrued to municipalities, and to providers of medical services pursuant to section 367-b of the social services law, and shall be available to the department net of disallowances, refunds, reimbursements, and credits.

Notwithstanding any other provision of law, the money hereby appropriated may be increased or decreased by interchange, with any appropriation of the department of health, and may be increased or decreased by transfer or suballocation between these appropriated amounts and appropriations of the office of mental health, the office for people with developmental disabilities, the office of alcoholism and substance abuse services, the department of family assistance office of temporary and disability assistance, and office of children and family services with the approval of the director of the budget, who shall file such approval with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

Notwithstanding any inconsistent provision of law to the contrary, funds may be used by the department for outside legal assistance on issues involving the federal government, the conduct of preadmission screening and annual resident reviews required by the state's medicaid program, computer matching with insurance carriers to insure that medicaid is the payer of last resort and activities related to the management of the pharmacy benefit available under the medicaid program.
