IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.

LBD12654-02-4

1 c) The several amounts specified in this chapter as capital projects -
2 reappropriations, or so much thereof as shall be sufficient to accom-
3 plish the purpose of the appropriations, as appropriated by comprehen-
4 sive construction programs (hereinafter referred to by the abbreviation
5 CCP), purposes, and projects, being the undisbursed and/or unexpended
6 balances of the prior year's appropriations, are reappropriated and
7 unless otherwise amended or repealed in part or total in this chapter
8 shall continue to be available for the same purposes as the prior appro-
9 priations or as otherwise amended for the fiscal year beginning April 1,
10 2014.

11 The capital projects reappropriations contained in this chapter may be
12 amended by repealing the items set forth in brackets and by adding ther-
13 eto the underscored material. Certain reappropriations in this chapter
14 are shown using abbreviated text, with three leader dots (an ellipsis)
15 followed by three spaces (...) used to indicate where existing law
16 that is being continued is not shown. However, unless a change is clear-
17 ly indicated by the use of brackets [] for deletions and underscores
18 for additions, the purpose, amounts, funding source and all other
19 aspects pertinent to each item of appropriation shall be as last appro-
20 priated.

21 For the purpose of complying with section 25 of the state finance law,
22 the year, chapter and section of the last act reappropriating a former
23 original appropriation or any part thereof is, unless otherwise indi-
24 cated, chapter 54, section 1, of the laws of 2013.

25 d) No moneys appropriated by this chapter shall be available for
26 payment until a certificate of approval has been issued by the director
27 of the budget, who shall file such certificate with the department of
28 audit and control, the chairperson of the senate finance committee and
29 the chairperson of the assembly ways and means committee.

30 e) The appropriations contained in this chapter shall be available for
31 the fiscal year beginning on April 1, 2014 except as otherwise noted.

the environmental conservation law, and to implement wastewater treatment improvement projects in small upstate communities (09650257) ... 4,900,000 (re. \$668,000)

By chapter 54, section 1, of the laws of 1990, as amended by chapter 54, section 1, of the laws of 2002:

For the state share of the costs of construction of water quality improvement projects, including the payment of liabilities incurred prior to April 1, 1990, in accordance with the provisions of title 3 of article 51 of the environmental conservation law as amended, to provide state matching funds for projects scheduled to receive construction grants from federal fiscal years 1989 and 1990 funds, including costs incidental and appurtenant thereto, hereinafter referred to as "Water Quality Improvement Disbursements."

Notwithstanding the provisions of any general or special law, the moneys hereby appropriated shall be available for water quality improvement expenditures for eligible water quality improvement projects as defined by section 51-0303 of the environmental conservation law upon the issuance of a certificate of approval of availability by the director of the division of the budget. No such certificates of approval of availability shall be issued for or include funds for projects which have not received a federal grant for the construction of sewage treatment related facilities.

Notwithstanding the provisions of any general or special law, the amounts hereby appropriated shall have all disbursements reimbursed from the Pure Waters Bond Act proceeds authorizations and are contingent upon the partial repeal of existing capital projects fund authorizations elsewhere in this chapter. The state comptroller shall at the commencement of each month certify to the director of the division of the budget, the commissioner of environmental conservation, the chairman of the senate finance committee, and the chairman of the assembly ways and means committee the amounts disbursed from this appropriation for Water Quality Improvement Disbursements for the month preceding such certification (09019057) ... 4,609,600 (re. \$1,466,000)

12 For capital grants to municipalities under
13 the consolidated local street and highway
14 improvement program:

15 The sum of \$379,300,000 to counties, cities,
16 towns and villages for reimbursement of
17 eligible costs of local highway and bridge
18 projects pursuant to sections 16 and 16-a
19 of chapter 329 of the laws of 1991, as
20 added by section 9 of chapter 330 of the
21 laws of 1991, as amended. For the purposes
22 of computing allocations to munici-
23 palities, the amount distributed pursuant
24 to section 16 of chapter 329 of the laws
25 of 1991 shall be deemed to be
26 \$125,540,000. The amount distributed
27 pursuant to section 16-a of chapter 329 of
28 the laws of 1991 shall be deemed to be
29 \$253,760,000. Notwithstanding the
30 provisions of any general or special law,
31 the amounts deemed distributed in accord-
32 ance with section 16 of chapter 329 of the
33 laws of 1991 shall be adjusted so that
34 such amounts will not be less than 86.579
35 percent of the "funding level" as defined
36 in subdivision 5 of section 10-c of the
37 highway law for each such municipality. In
38 order to achieve the objectives of section
39 16 of chapter 329 of the laws of 1991, to
40 the extent necessary, the amounts in
41 excess of 86.579 percent of the funding
42 level to be deemed distributed to each
43 municipality under this subdivision shall
44 be reduced in equal proportion.

45 The sum of \$58,797,000 to municipalities for
46 reimbursement of eligible costs of local
47 highway and bridge projects pursuant to
48 sections 16 and 16-a of chapter 329 of the
49 laws of 1991, as added by section 9 of

distributed pursuant to section 16 of chapter 329 of the laws of 1991 shall be deemed to be \$19,460,000. The amount distributed pursuant to section 16-a of chapter 329 of the laws of 1991 shall be deemed to be \$39,337,000. Notwithstanding the provisions of any general or special law, the amounts deemed distributed in accordance with section 16 of chapter 329 of the laws of 1991 shall be adjusted so that such amounts will not be less than 13.421 percent of the "funding level" as defined in subdivision 5 of section 10-c of the highway law for each such municipality. In order to achieve the objectives of section 16 of chapter 329 of the laws of 1991, to the extent necessary, the amounts in excess of 13.421 percent of the funding level to be deemed distributed to each municipality under this paragraph shall be reduced in equal proportion. To the extent that the total of remaining payment allocations calculated herein varies from \$58,797,000, the payment amounts to each locality shall be adjusted by a uniform percentage so that the total payments equal \$58,797,000.

Payments shall be made on the fifteenth day of June, September, December and March (17CH1421) 438,097,000

 4 by repealing a portion of an appropriation for the payment of the
 5 state's share to the Niagara frontier transportation authority for
 6 construction, reconstruction, and improvement of airport or aviation
 7 capital projects at Buffalo international airport. It is the intent
 8 of the legislature that the repeal of such funds appropriated to the
 9 Niagara frontier transportation authority does not void the state's
 10 commitment to provide alternative state share funding sources to the
 11 authority to complete the airport or aviation capital projects at
 12 Buffalo international airport as originally provided by chapter 54,

By chapter 54, section 1, of the laws of 2013:

For state aid to municipal corporations for the preparation of designs, plans, specifications and estimates, for the acquisition, construction, reconstruction, and improvement of mass transportation capital projects including the acquisition of real property, for other mass transportation projects including local transportation planning studies. Notwithstanding any inconsistent provisions of law, the state share of such projects shall be 50 percent of the nonfederal share, but in no event shall the state share exceed 10 percent of project costs.

Notwithstanding any other provision of law, the commissioner of transportation shall make available directly to the City of New York (City) an amount commensurate with the state share of (i) federal funds previously awarded to the City and reallocated to the metropolitan transportation authority (MTA), and (ii) the federally authorized level of financial assistance transferred by resolution of the metropolitan planning organization (MPO) to the metropolitan transportation authority (MTA) and credited to the City by the MTA for capital expenses.

The state share of such reimbursement shall be 50 percent of the nonfederal share of the federally authorized level of financial assistance transferred to the MTA, but in no event shall the state share exceed 10 percent of project costs. Prior to requesting reimbursement for projects progressed by the MTA on behalf of the City, the City shall certify to the commissioner of transportation that each eligible project progressed under this provision is federally eligible and that the match amount requested does not exceed the state share of the federally authorized level of financial assistance. In addition, the City must provide an application to the commissioner of transportation certifying that the work to be funded under the project has been performed and that the City has reimbursed the MTA for 100 percent of the match amount for the project. Upon such application, the commissioner of transportation shall review and approve eligible activities for reimbursement.

Prior to requesting approval of a certificate of approval of availability for the moneys hereby appropriated, the commissioner of transportation shall certify that each omnibus project progressed under the program has received federal approval.

CAPITAL PROJECTS - REAPPROPRIATIONS 2014-15

By chapter 55, section 1, of the laws of 2004, as amended by chapter 55, section 1, of the laws of 2010:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2004. For the cost of the contract services provided by private firms, including but not limited to the preparation of designs, plans, specifications and estimates; construction management and supervision; and appraisals, surveys, testing and environmental impact statements for transportation projects. No funds shall be allocated for such purposes until the commissioner of transportation enters into an agreement subject to the approval of the director of the budget with any public or private entity for the repayment of 40 percent of each project's costs disbursed from such funds. Such agreement shall require repayment within 5 years of the date of acceptance of the project by the department of transportation except that the repayment may occur over a period of up to 10 years when total project costs exceed \$1,000,000. All projects must be approved by the director of the budget prior to the obligation of the moneys so appropriated.

The moneys so appropriated shall be made available pursuant to rules and regulations promulgated by the commissioner of transportation establishing the maximum amount of assistance to be provided for each project and the information that must be provided by the entity requesting assistance, establishing criteria for providing assistance from the moneys so appropriated and including standards for receiving of assistance including but not limited to the number of jobs created or maintained by the transportation improvement.

Notwithstanding any inconsistent provision of law, the commissioner of transportation may waive the requirement to repay 40 percent of the cost of a project provided that private funds are dedicated to the cost of such industrial access project and related economic development for at least 40 percent of the total cost of the industrial access project and related economic development and the industrial access portion of such project's cost is greater than \$2,000,000 (17060479) ... 5,400,000 (re. \$2,022,000)

The appropriation made by chapter 55, section 1, of the laws of 2003, is hereby amended and reappropriated to read:

For the construction or improvement of highway, bridge and rail freight projects related to industrial access, including the acquisition of property and the payment of liabilities incurred prior to April 1, 2003. For the costs, pursuant to the provisions of the accelerated capacity and transportation improvements of the nineties bond act, of capital projects to be reimbursed from bond fund proceeds for the improvement of state highways, thruways and other highway facilities including bridges, other structures, and appurtenances.

Notwithstanding any other provisions of law, the New York State Thruway shall be considered a state highway for the purposes of this appropriation. Prior to the approval of a certificate of approval of availability for projects advanced by the New York State Thruway Authority, the director of the budget shall approve a repayment agreement between the department of transportation and the New York State Thruway Authority. The state comptroller is hereby authorized and directed to deposit repayments from the Thruway Authority pursuant to such agreement to the credit of the capital projects fund.

For 80 percent of the costs of capital local bridge projects advanced pursuant to the provisions of the accelerated capacity and transportation improvements of the nineties bond act. The remaining 20 percent share of project costs shall be paid by the municipality under whose jurisdiction the project is constructed, reconstructed or rehabilitated.

Project costs funded from this appropriation may include, but shall not be limited to, construction, reconstruction, reconditioning and preservation, and the acquisition of property.

For the payment of reimbursements to the engineering services fund for the cost of the engineering services of the department of transportation, including fringe benefits, and the contract services provided by private firms, for activities including but not limited to the preparation of designs, plans, specifications and estimates;

21 certified by the state comptroller as bondable under the provisions
22 of the rebuild New York through transportation infrastructure
23 renewal bond act of 1983 for payment from the port, marine terminal,
24 canal and waterway account.
25 The director of the budget is hereby authorized to designate to the
26 state comptroller specific appropriations made from the capital
27 projects fund for purposes for which transportation infrastructure
28 renewal fund expenditures are authorized. The state comptroller
29 shall at the commencement of each month certify to the director of
30 the budget, the chairman of the senate finance committee, and the
31 chairman of the assembly ways and means committee, the amounts
32 disbursed from the appropriations so designated by the director of
33 the budget from the capital projects fund for such purposes for the
34 month preceding such certification and such certification shall not
35 exceed in the aggregate the moneys hereby appropriated. A copy of
36 each such certificate shall also be delivered to state departments
37 and agencies to which such capital projects fund appropriations are
38 made available.
39 Notwithstanding the provisions of any general or special law, no
40 moneys shall be available from the transportation infrastructure
41 renewal fund until a certificate of approval of availability shall
42 have been issued by the director of the budget, and a copy of such
43 certificate of approval filed with the state comptroller, the chair-
44 man of the senate finance committee and the chairman of the assembly
45 ways and means committee. Such certificate may be amended from time
