43 S 2. This act shall take effect immediately and shall apply to
44 requests for disclosures made after the effective date of this act.

45 PART CC

46 Section 1. This act shall be known and may be cited as the "Rockland
47 Bergen Flood Mitigation act".

48 S 2. The legislature finds and declares that the states of New York
49 and New Jersey and their respective citizens share a common concern to
50 protect their personal safety and property through the identification
51 and remediation of potential flood hazards along the tributaries and
52 watersheds of the Hackensack River, Mahwah River, Ramapo River, Saddle

1 River, and Sparkill Brook/Creek that cross the interstate border region.
2 The identification and remediation of potential flood hazards requires a
3 bi-state comprehensive approach. A bi-state comprehensive flood
4 prevention approach will also help ensure the preservation and mainte-
5 nance of the environmentally beneficial impacts of the tributaries and
6 watersheds of the Hackensack River, Mahwah River, Ramapo River, Saddle
7 River, and Sparkill Brook/Creek. A bi-state approach will encourage open
8 space and recreational opportunities along the tributaries and
9 watersheds of the Hackensack River, Mahwah River, Ramapo River, Saddle
10 River, and Sparkill Brook/Creek. The legislature further finds that
11 there has been a long history of cooperation among state and local
12 governmental entities and various private organizations and individuals
13 in the vicinity of the tributaries and watersheds of the Hackensack
14 River, Mahwah River, Ramapo River, Saddle River, and Sparkill
15 Brook/Creek.

16 The legislature therefore determines that there is a need to endorse
17 and formalize that bi-state cooperative effort to identify and remediate
18 potential flood hazards and to protect the natural, scenic and recre-
19 ational opportunities of the tributaries and watersheds of the Hacken-
20 sack River, Mahwah River, Ramapo River, Saddle River, and Sparkill
21 Brook/Creek. The legislature further determines that the creation of a
22 bi-state task force is an appropriate means to accomplish these very
23 important goals.

24 S 3. As used in this act, "Bi-state region" shall mean the tributaries
25 and watersheds of the Hackensack River, Mahwah River, Ramapo River,
26 Saddle River, and Sparkill Brook/Creek, within the counties of Rockland
27 in New York and Bergen in New Jersey. "Resident voter" shall mean an
28 individual registered to vote within the county of Rockland in New York
29 or the county of Bergen, Essex, or Hudson in New Jersey.

30 S 4. a. There is hereby created the Rockland Bergen Flood Mitigation
31 Task Force, which shall be comprised of twelve voting members. Six
32 members shall be from New York and shall be appointed as follows: one
33 each, by the governor, the temporary president of the senate, the speak-
34 er of the assembly, the minority leader of the senate and the minority
35 leader of the assembly, of New York, and of the county executive of the
36 county of Rockland in New York, all of whom shall be resident voters of
37 the county of Rockland, New York. Six members shall be from New Jersey
38 and shall be appointed as follows: one each, by the governor, the tempo-
39 rary president of the senate, the speaker of the assembly, the minority
40 leader of the senate, and the minority leader of the assembly, of New
41 Jersey, and the county executive of the county of Bergen in New Jersey,
42 all of whom shall be resident voters from either the county of Bergen,
43 Essex, or Hudson. Additionally, the task force shall include three non-
44 voting members, as follows: the commissioner of the New York state
45 department of environmental conservation or a designee thereof who shall
46 serve ex-officio; the commissioner of the New Jersey department of envi-
47 ronmental protection or a designee thereof who shall serve ex-officio;
48 and a representative of United Water Inc. or its successor.

49 b. Vacancies in the appointed positions on the task force shall be
50 filled in the same manner as the original appointments were made.

51 c. Members of the task force shall serve voluntarily and without
52 compensation.

53 d. Members of the task force shall serve at the pleasure of the rele-
54 vant appointing authority.

55 S 5. a. The task force shall organize as soon as may be practicable
56 after the appointment of its members, and shall select two co-chairper-

sons from its members, one from each state, and a secretary who need not be a member.

b. The task force shall meet regularly as it may determine. Meetings of the task force shall be at such times and places as the co-chairpersons of the task force deem appropriate, but to the maximum extent practicable and feasible, shall be rotated between the two states on an alternating basis. Meetings held in New Jersey shall be subject to the provisions and requirements of the "Senator Byron M. Baer Open Public Meetings Act," P.L. 1975, c. 231 (C.10:4-6 et seq.). Meetings held in New York shall be subject to the provisions and requirements of that state's open meetings law, article 7 of the public officers law. The task force shall also meet at the call of either co-chairperson.

c. A majority of the voting membership of the task force shall constitute a quorum for the transaction of task force business. Action may be taken and motions and resolutions adopted by the task force at any meeting thereof by the affirmative vote of seven members of the task force.

d. The task force may request assistance, and the services of, any municipalities that are within the bi-state watershed region, as it may require and as may be made available to it for the purpose of carrying out its duties under this act. Nothing in this section shall be construed to require assistance from any municipality in New York or New Jersey.

S 6. The duties of the task force shall be to:

a. assess present and projected development, land use, and land management practices and patterns, and identify actual and potential flood hazards, around the bi-state region, and determine the effects of those practices and patterns, threats, and problems upon the property, public safety, and natural, and recreational resources of the bi-state region;

b. develop recommended regulations, procedures, policies, planning strategies, and model ordinances and resolutions pertaining to the protection, preservation, maintenance, management, and enhancement of the bi-state region which would be implemented as appropriate on a voluntary basis by those municipalities within the bi-state region;

c. coordinate communication of stream cleanup, maintenance, and protection efforts undertaken, for the benefit of the bi-state region by municipalities within the bi-state region;

d. coordinate with all municipalities within the bi-state region;

e. recommend appropriate state legislation and administrative action pertaining to the protection, preservation, maintenance, management, and enhancement of the bi-state region;

f. advocate for federal, state, or private funding of stream cleanup, maintenance, protection projects, flood prevention projects and flood hazard remediation for the bi-state region;

g. identify existing and projected flood hazards in the bi-state region; and

h. recommend, propose and coordinate a bi-state comprehensive plan to remediate existing and projected flood hazards in the bi-state region.

S 7. The task force shall, within 24 months of the date it organizes, prepare a report on its activities, and submit it, together with any recommendations for legislation, administrative action, or action by local governments, to the governors and legislatures of the states of New Jersey and New York.

S 8. This act shall take effect upon the enactment into law by the state of New Jersey of legislation having substantially similar effect with this act, but if the state of New Jersey shall have already enacted

1 such legislation, this act shall take effect immediately and shall
2 expire and be deemed repealed on June 30, 2016; provided that the Rock-
3 land Bergen bi-state river task force shall notify the legislative bill
4 drafting commission upon the occurrence of the enactment of the legis-
5 lation provided for in this act in order that the legislative bill
6 drafting commission may maintain an accurate and timely effective data
7 base of the official text of the laws of the state of New York in furth-
8 erance of effecting the provisions of section 44 of the legislative law
9 and section 70-b of the public officers law.

PART DD

11 Section 1. Subdivisions 3 and 5 of section 19-0323 of the environ-
12 mental conservation law, as amended by section 1 of part U of chapter 58
13 of the laws of 2013, are amended to read as follows:

14 3. Any diesel powered heavy duty vehicle that is owned by, operated by
15 or on behalf of, or leased by a state agency and state and regional
16 public authority with more than half of its governing body appointed by
17 the governor shall utilize the best available retrofit technology for
18 reducing the emission of pollutants. The commissioner shall promulgate
19 regulations for the implementation of this subdivision specifying that
20 all vehicles covered by this subdivision shall have best available
21 retrofit technology on or before December 31, [2014] 2015.

22 This subdivision shall not apply to any vehicle subject to a lease or
23 public works contract entered into or renewed prior to the effective
24 date of this section.

25 5. In addition to any waiver which may be issued pursuant to subdivi-
26 sion four of this section, the department shall issue a waiver to a
27 state agency, a state or regional public authority, or a person operat-
28 ing any diesel-powered heavy duty vehicle on behalf of a state agency,
29 state or regional public authority, upon a request in a form acceptable
30 to the department for a waiver from the provisions of subdivision three
31 of this section for a vehicle engine provided that such vehicle engine
32 will cease to be used in the state on or before December thirty-first,
33 two thousand [fourteen] SIXTEEN. Any waiver issued pursuant to this
34 subdivision shall expire when a state agency, a state or regional public
35 authority, or a person operating any diesel-powered heavy duty vehicle
36 on behalf of a state agency, state or regional public authority ceases
37 to use the engine in the state but not later than December thirty-first,
38 two thousand [fourteen] SIXTEEN.

39 S 2. Subdivision 7 of section 19-0323 of the environmental conserva-
40 tion law, as added by chapter 629 of the laws of 2006, and as renumbered
41 by section 1 of part C of chapter 59 of the laws of 2010, is amended to
42 read as follows:

43 7. On or before January 1, 2008 and every year thereafter, the commis-
44 sioner shall report to the governor and legislature on the use of ultra
45 low sulfur diesel fuel [and the use of the best available retrofit tech-
46 nology as required under this section]. ON OR BEFORE JANUARY 1, 2016 AND
47 EVERY YEAR THEREAFTER, THE COMMISSIONER SHALL INCLUDE IN THE REPORT TO
48 THE GOVERNOR AND LEGISLATURE THE USE OF THE BEST AVAILABLE RETROFIT
49 TECHNOLOGY AS REQUIRED UNDER THIS SECTION. The information contained in
50 this report shall include, but not be limited to, for each state agency
51 and public authority covered by this section: (a) the total number of
52 diesel fuel-powered motor vehicles owned or operated by such agency and
53 authority; (b) the number of such motor vehicles that were powered by
54 ultra low sulfur diesel fuel; (c) the total number of diesel fuel-pow-

1 ered motor vehicles owned or operated by such agency and authority
2 having a gross vehicle weight rating of more than 8,500 pounds; (d) the
3 number of such motor vehicles that utilized the best available retrofit

11 least as stringent; and (f) all waivers, findings, and renewals of such
12 findings, which, for each waiver, shall include, but not be limited to,
13 the quantity of diesel fuel needed to power diesel fuel-powered motor
14 vehicles owned or operated by such agency and authority; specific infor-
15 mation concerning the availability of ultra low sulfur diesel fuel.
16 S 3. This act shall take effect immediately.

17

PART EE

18 Section 1. Legislative intent. The legislature recognizes the environ-
19 mental health and energy benefits of increasing the efficiency of resi-
20 dential heating and cooling systems, and converting to cleaner fuel and
21 more efficient heating and cooling systems that can reduce emissions of
22 carbon and particulate matter that is two and one-half microns or less
23 in width (commonly referred to as PM 2.5 emissions). The legislature
24 also recognizes the need to use funds from public purpose programs,
25 including those administered by the New York state energy research and
26 development authority and utilities, in order to provide financial
27 assistance to building owners seeking to install and improve heating and
28 cooling retrofits. The legislature finds that no less than fifteen
29 million dollars is required to assist residential building owners with
30 the installation of cleaner, more efficient heating and cooling technol-
31 ogies.

32 S 2. The department of public service and the New York state energy
33 research and development authority shall review existing energy effi-
34 ciency programs administered by utilities and/or such authority to
35 determine the extent to which funding or financing support is available
36 to assist installing any improvement to a heating or cooling system in
37 residential and multi-family buildings which will increase efficiency by
38 at least ten percent over the equipment currently installed or reduce
39 fuel usage by at least ten percent over the equipment currently
40 installed, and lead to a significant reduction in carbon emissions.
41 Such improvements shall include, but are not limited to, the installa-
42 tion of a high efficiency boiler or furnace, an improvement to and/or
43 replacement of a burner in a boiler, and any other improvement to a
44 heating system. Such review shall determine whether the existing effi-
45 ciency programs would provide support for the replacement or improvement
46 of boilers regulated by the New York city department of environmental
47 protection.

48 S 3. The department of public service and New York state energy
49 research and development authority shall report the findings of such
50 review to the governor and to the legislature no later than 45 days
51 after the effective date of this act.

52 S 4. This act shall take effect immediately.

53

PART FF

1 Section 1. Subdivision 5 of section 88-a of the state finance law is
2 amended by adding a new paragraph (c) to read as follows:

4 AUTHORIZED AND DIRECTED TO TRANSFER FROM THE GENERAL FUND FOR DEPOSIT
5 INTO THE PUBLIC TRANSPORTATION SYSTEM OPERATING ASSISTANCE ACCOUNT, UPON
6 REQUEST OF THE DIRECTOR OF THE BUDGET, ON OR BEFORE MARCH 31 OF EACH
7 YEAR, AN AMOUNT EQUAL TO THE FOLLOWING:

8 (I) FOR THE STATE FISCAL YEAR ENDING MARCH 31, 2015, TWO MILLION EIGHT
9 HUNDRED EIGHT THOUSAND NINETY-SIX DOLLARS;

10 (II) IN EACH SUCCEEDING STATE FISCAL YEAR, THE TRANSFER SHALL EQUAL
11 THE PRODUCT OF THE DOLLAR AMOUNT IN (I) AND ONE PLUS THE SALES TAX
12 GROWTH FACTOR. FOR THE PURPOSES OF THIS SUBPARAGRAPH, THE SALES TAX
