LBD13438-05-4

If this legislation is enacted during the 2014 legislative session, it is estimated that there will be an increase of approximately \$5,600 in the annual contributions of the City of Buffalo for the fiscal year ending March 31, 2015. In future years, this cost will vary as the billing rates and salaries of Sean William McCabe change.

In addition to the annual contributions discussed above, it is estimated that there will be a past service cost of \$12,700 which will be borne by the City of Buffalo as a one-time payment, assuming that such payment will be made on February 1, 2015.
