FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill will allow four employees of the Village of Green Island -
Kirsten Mason, Laura Strizzi, Christian Ward and Austin Horton - to
receive retroactive dates of membership in the New York State and Local
Employees' Retirement System, thereby changing their plan coverage from
Tier 6 to Tier 5.

If this bill is enacted, we anticipate that there will be an increase
of approximately \$130 in the annual contributions of the Village of
Green Island for the fiscal year ending March 31, 2015. In future years,
this cost will vary as the billing rates and salaries of the four
affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$320 which would be borne by the Village of Green Island as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2015.
