Whenever a crime and a traffic infraction arise out of the same transaction or occurrence, a charge alleging both offenses may be made returnable before the court having jurisdiction over the crime. Nothing herein provided shall be construed to prevent a court, having jurisdiction over a criminal charge relating to traffic or a traffic infraction, from lawfully entering a judgment of conviction, whether or not based on a plea of guilty, for any offense classified as a traffic infraction.

2. Whenever [the commissioner or his deputy] THE DIRECTOR OF THE TRAFFIC VIOLATIONS BUREAU determines that a charge alleges an offense other than a traffic infraction, he OR SHE shall, and where a charge cannot be disposed of because of the non-appearance of the motorist, he OR SHE may notify the court of appropriate jurisdiction and request removal of the case to such court. Prior notice of such request need not be given the motorist involved. Notice of transfer of cases involving other than traffic infractions shall be mailed to the motorist at the address appearing on such complaint not less than ten days before the date of appearance indicated on his OR HER summons and not less than fifteen days before his OR HER scheduled appearance in such court. Notice of transfer of cases which cannot be disposed of because of the non-appearance of the motorist shall be mailed to the motorist at the address appearing on such complaint not less than fifteen days before his OR HER scheduled appearance in such court. Such mailing shall constitute due notice of such

transfer. Thereafter, such case shall be treated in the same manner as if the complaint had initially been filed with such court.

3. The commissioner [shall appoint such hearing officers as shall be necessary to hear and determine cases as provided by this article and] may promulgate [such] regulations [as shall be necessary or desirable to effect the purposes of this article. Such regulations may] TO provide for a schedule of monetary penalties to be used where an answer is made, other than before a hearing officer, admitting a charge, provided that no such penalty shall exceed the maximum fine established by law for the traffic infraction involved.

Whenever a crime and a traffic infraction arise out of the same transaction or occurrence, a charge alleging both offenses may be made returnable before the court having jurisdiction over the crime. Nothing herein provided shall be construed to prevent a court, having jurisdiction over a criminal charge relating to traffic or a traffic infraction, from lawfully entering a judgment of conviction, whether or not based on a plea of guilty, for any offense classified as a traffic infraction.
