2013-2014 Regular Sessions

I N A S S E M B L Y

(PREFILED)

January 9, 2013

Introduced by M. of A. GANTT -- read once and referred to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to inattentive driving, and to amend the state finance law, in relation to creating the attentive driver education fund

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature finds and
2 determines that the National Highway Traffic Safety Administration
3 (NHTSA), whose mission it is to save lives, prevent injuries, and reduce
4 traffic related health care costs and other economic costs through regulation, enforcement, economic incentives, educational programs, basic
5 and applied research, and technology demonstration programs, has taken a
6 particular interest in the issue of driver distraction.
7 The legislature finds that NHTSA encourages states to actively enforce
8 their reckless and inattentive driving laws, regardless of the causes of
9 such behavior.
10 For this reason, the legislature finds that New York state should
11 vigorously enforce its current reckless driving law and enact an inattentive driving statute to better discourage drivers from engaging in
12 non-driving related activities while driving or using a motor vehicle;
13 activities that can interfere with or endanger other users of public
14 highways.
15 The legislature further directs the governor's traffic safety committee to create a public outreach program to inform and educate the public
16 about the dangers of reckless and inattentive driving and to encourage
17 safe driving habits.
18 S 2. The vehicle and traffic law is amended by adding a new section
19 1212-a to read as follows:
