THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Paragraphs 1, 3 and 7 of subsection (e) of section 606 of
2 the tax law, as amended by chapter 28 of the laws of 1987, subparagraph
3 (c) of paragraph 1 as amended by chapter 713 of the laws of 1996 and
4 subparagraph (E) of paragraph 1 as amended by chapter 105 of the laws of
5 2006, are amended to read as follows:
6 (1) For purposes of this subsection:
7 (A) "Qualified taxpayer" means a resident individual of the state who
8 has occupied the same residence for six months or more of the taxable
9 year, and is required or chooses to file a return under this article.
10 (B) "Household" or "members of the household" means a qualified
11 taxpayer and all other persons, not necessarily related, who have the
12 same residence and share its furnishings, facilities and accommodations.
13 Such terms shall not include a tenant, subtenant, roomer or boarder who
14 is not related to the qualified taxpayer in any degree specified in
15 paragraphs one through eight of subsection (a) of section one hundred
16 fifty-two of the internal revenue code. Provided, however, no person may
17 be a member of more than one household at one time.
18 [(c)] (C) "Household gross income" means the aggregate adjusted gross
19 income of all ADULT members of the household for the taxable year as
20 reported for federal income tax purposes, or which would be reported as
21 adjusted gross income if a federal income tax return were required to be
22 filed, with the modifications in subsection (b) of section six hundred

1 of property otherwise excluded from such amount; earned income from
2 sources without the United States excludable from federal gross income
3 by section nine hundred eleven of the internal revenue code; support
4 money not included in adjusted gross income; nontaxable strike benefits;
5 supplemental security income payments; the gross amount of any pension
6 or annuity benefits to the extent not included in such adjusted gross
7 income (including, but not limited to, railroad retirement benefits and
8 all payments received under the federal social security act and veter-
9 ans' disability pensions); nontaxable interest received from the state
10 of New York, its agencies, instrumentalities, public corporations, or
11 political subdivisions (including a public corporation created pursuant
12 to agreement or compact with another state or Canada); workers' compen-
13 sation; the gross amount of "loss-of-time" insurance; and the amount of
14 cash public assistance and relief, other than medical assistance for the
15 needy, paid to or for the benefit of the qualified taxpayer or members
16 of his household. Household gross income shall not include surplus foods
17 or other relief in kind or payments made to individuals because of their
18 status as victims of Nazi persecution as defined in P.L. 103-286.
19 Provided, further, household gross income shall only include all such
20 income received by all members of the household while members of such
21 household. PROVIDED, FURTHER, THAT HOUSEHOLD GROSS INCOME SHALL NOT
22 INCLUDE INCOME OF HOUSEHOLD MEMBERS WHO ARE UNDER THE AGE OF EIGHTEEN,
23 OR INCOME OF HOUSEHOLD MEMBERS UNDER THE AGE OF TWENTY-ONE IF SUCH INDI-
24 VIDUALS ATTEND AN ACCREDITED COLLEGE OR UNIVERSITY AT LEAST PART-TIME.

25 (D) "Residence" means a dwelling in this state, whether owned or rent-
26 ed, and so much of the land abutting it, not exceeding one acre, as is
27 reasonably necessary for use of the dwelling as a home, and may consist
28 of a part of a multi-dwelling or multi-purpose building including a
29 cooperative or condominium, and rental units within a single dwelling.
30 Residence includes a trailer or mobile home, used exclusively for resi-
31 dential purposes and defined as real property pursuant to paragraph (g)
32 of subdivision twelve of section one hundred two of the real property
33 tax law.

34 (E) "Qualifying real property taxes" means all real property taxes,
35 special ad valorem levies and special assessments, exclusive of penal-
36 ties and interest, levied on the residence of a qualified taxpayer and
37 paid during the taxable year [less the credit claimed under subsection
38 (n-1) of this section]. In addition, for taxable years beginning after
39 December thirty-first, nineteen hundred eighty-four, a qualified taxpay-
40 er may elect to include any additional amount that would have been
41 levied in the absence of an exemption from real property taxation pursu-
42 ant to section four hundred sixty-seven of the real property tax law. If
43 tenant-stockholders in a cooperative housing corporation have met the
44 requirements of section two hundred sixteen of the internal revenue code
45 by which they are allowed a deduction for real estate taxes, the amount
46 of taxes so allowable, or which would be allowable if the taxpayer had
47 filed returns on a cash basis, shall be qualifying real property taxes.
48 If a residence is owned by two or more individuals as joint tenants or
49 tenants in common, and one or more than one individual is not a member
50 of the household, qualifying real property taxes is that part of such
51 taxes on the residence which reflects the ownership percentage of the
52 qualified taxpayer and members of his household. If a residence is an
53 integral part of a larger unit, qualifying real property taxes shall be
54 limited to that amount of such taxes paid as may be reasonably appor-
55 tioned to such residence. If a household owns and occupies two or more
56 residences during different periods in the same taxable year, qualifying

1 real property taxes shall be the sum of the prorated qualifying real
2 property taxes attributable to the household during the periods such
3 household occupies each of such residences. If the household owns and
4 occupies a residence for part of the taxable year and rents a residence
5 for part of the same taxable year, it may include both the proration of
6 qualifying real property taxes on the residence owned and the real prop-
7 erty tax equivalent with respect to the months the residence is rented.
8 Provided, however, for purposes of the credit allowed under this
9 subsection, qualifying real property taxes may be included by a quali-
10 fied taxpayer only to the extent that such taxpayer or the spouse of
11 such taxpayer occupying such residence for six months or more of the
12 taxable year owns or has owned the residence and paid such taxes.

13 (F) "Real property tax equivalent" means twenty-five percent of the
14 adjusted rent actually paid in the taxable year by a household solely
15 for the right of occupancy of its New York residence for the taxable
16 year. If (i) a residence is rented to two or more individuals as coten-
17 ants, or such individuals share in the payment of a single rent for the
18 right of occupancy of such residence, and (ii) each of such individuals
19 is a member of a different household, one or more of which individuals
20 shares such residence, real property tax equivalent is that portion of
21 twenty-five percent of the adjusted rent paid in the taxable year which
22 reflects that portion of the rent attributable to the qualified taxpayer
23 and the members of his household.

24 (G) "Adjusted rent" means rental paid for the right of occupancy of a
25 residence, excluding charges for heat, gas, electricity, furnishings and
26 board. Where charges for heat, gas, electricity, furnishing or board are
27 included in rental but where such charges and the amount thereof are not
28 separately set forth in a written rental agreement, for purposes of
29 determining adjusted rent the qualified taxpayer shall reduce rental
30 paid as follows:

31 (i) For heat, or heat and gas, deduct fifteen percent of rental paid.

32 (ii) For heat, gas and electricity, deduct twenty percent of rental
33 paid.

34 (iii) For heat, gas, electricity and furnishings, deduct twenty-five
35 percent of rental paid.

36 (iv) For heat, gas, electricity, furnishings and board, deduct fifty
37 percent of rental paid.

38 If the tax commission determines that the adjusted rent shown on the
39 return is excessive, the tax commission may reduce such rent, for
40 purposes of the computation of the credit, to an amount substantially
41 equivalent to rent for a comparable accommodation.

42 (3) Determination of credit. (A) For qualified taxpayers who have
43 attained the age of sixty-five years before the beginning of or during
44 the taxable year the amount of the credit allowable under this
45 subsection shall be fifty percent, or in the case of a qualified taxpay-
46 er who has elected to include an additional amount pursuant to subpara-
47 graph (E) of paragraph one of this subsection, twenty-five percent, of
