17 person whom he has not trained, or whom he knows has not satisfactorily
18 completed all of the requirements necessary for such certification.

19 b. Action by the department resulting in the revocation of such
20 license or denial of the privilege to hunt and trap as provided in this
21 subdivision shall be only after a hearing held by the department upon
22 notice to the offender, at which proof of facts indicating the violation
23 is established to the satisfaction of the commissioner or of the hearing
24 officer designated by him and concurred in by the commissioner. Provided
25 that where a person, while hunting, causes death or injury to any person
26 by discharge of a firearm, CROSSBOW, or longbow, the commissioner may,
27 in his discretion, suspend such person's license or licenses to hunt and
28 suspend such person's right to hunt without a license for a period of up

52 shall require. Failure to report such accident as herein provided by
53 the person causing injury or to furnish relevant information required by
54 the department shall be a violation and shall constitute grounds for
55 suspension or revocation of such person's hunting licenses and denial of
56 the privilege of obtaining any such license and of hunting with or with-

1 out a license following a hearing or opportunity to be heard. In addi-
2 tion, the department may temporarily suspend the license of the person

29 completed all of the requirements necessary for such certification.

30 b. Action by the department resulting in the revocation of such
31 license or denial of the privilege to hunt and trap as provided in this
32 subdivision shall be only after a hearing held by the department upon
33 notice to the offender, at which proof of facts indicating the violation
34 is established to the satisfaction of the commissioner or of the hearing
35 officer designated by him and concurred in by the commissioner. Provided

47 established at the hearing indicate to the satisfaction of the commis-
48 sioner that there was no negligence on the part of the shooter or
49 bowman. In all other cases the license or licenses, bowhunting privi-
50 lege, or muzzle-loading privilege, shall be revoked and the privilege of
51 obtaining such license, bowhunting privilege, or muzzle-loading privi-
52 lege, and of hunting or of trapping anywhere in the state with or with-

Every such person or law enforcement officer shall make such other and additional reports as the department shall require. Failure to report such accident as herein provided by the person causing injury or to furnish relevant information required by the department shall be a violation and shall constitute grounds for suspension or revocation of such person's hunting licenses and bowhunting and muzzle-loading privileges and denial of the ability to obtain any such license and of hunting with or without a license following a hearing or opportunity to be heard. In addition, the department may temporarily suspend the license of the person failing to report a hunting accident within the period prescribed herein until such report has been filed. In the case of a non-resident, the failure to report an accident as herein provided shall constitute grounds for suspension or revocation of his or her privileges of hunting within this state. The report required by this section shall be made in such form and number as the department may prescribe.
