AN ACT to amend chapter 154 of the laws of 1921, relating to the Port Authority of New York and New Jersey, in relation to the functioning of the port authority as an open, transparent and accountable interstate public authority

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature finds and declares
2 that:
3 In 2005 and 2009, the state of New York enacted comprehensive legis-
4 lation to improve the practices of, and increase oversight over, the
5 state's public authorities. As entities that are mostly publicly funded
6 and are created to provide an important public service or good, it was
7 important to increase and enhance the accountability and transparency of
8 the public authorities.
9 The public authority of New York and New Jersey is a multi-billion
10 dollar company that performs and provides vital transportation and
11 infrastructure functions and services in the state of New York. Since
12 the state of New York has jurisdiction over the port authority, the
13 legislature believes that the port authority should abide by and be
14 subject to the same laws as are currently imposed on all other New York
15 state public authorities.
16 It is in the best interest of the public that the states of New York
17 and New Jersey enact substantially identical legislation to ensure that

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
