Introduced by M. of A. QUART -- read once and referred to the Committee
on Libraries and Education Technology

AN ACT to amend the education law, in relation to aid for coordinated
collection development grants for public and non-profit independent
colleges and universities

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-
BLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The formula directing state aid to
2 public and private academic and research libraries has not been adjusted
3 since 1984. During that time prices of published academic materials have
4 outpaced inflation, often rising at a rate of more than three times that
5 of inflation. The state provides aid to these libraries for the purpose
6 of improving access and resources in a coordinated manner. This program
7 needs an adjustment in its formula if the goals of quality and accessi-
8 ble scholarship are to be maintained. Therefore, it is in the best
9 interests of the state, its citizens and long-term academic and economic
10 prospects to support modernization of the coordinated collection devel-
11 opment aid (CCDA) formula.

12 S 2. Subdivision 5 of section 273 of the education law, as amended by
13 section 3 of part 0 of chapter 57 of the laws of 2005, is amended to
14 read as follows:

15 5. Coordinated collection development program for public and nonprofit
16 independent colleges and universities.
