FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide all non-Correction Officer members of the New York State and Local Employees' Retirement System who are employed by the State Department of Corrections and Community Supervision with a performance of duty disability retirement coverage. The benefit for this new coverage would be a retirement allowance of 75% of final average salary. However, the payment of this allowance would be subject to the provisions of Section 64 of the Retirement and Social Security Law. In addition, for these members, contracting tuberculosis, HIV or hepatitis, or any impairment of health caused by diseases of the heart, will qualify them for the performance of duty disability benefit.

If this bill is enacted, we anticipate that there will be an increase of approximately \$13.0 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2014.

This estimate is based on approximately 10,009 non-correction officers employed by the State Department of Corrections and Community Supervision with an estimated annual salary for the fiscal year ending March 31, 2012 of approximately \$488 million.
