26 percent of the cost of the project.

27 (vii) Construction costs associated with the establishment of facili-
28 ties that house firefighting equipment, ambulances, rescue vehicles and
29 related equipment. A loan for this purpose shall not exceed the lesser
30 of [three hundred] FIVE HUNDRED thousand dollars or seventy-five percent
31 of the cost of the construction, or be used for the payment of fees for
32 design, planning, preparation of applications or other costs not direct-
33 ly attributable to land acquisitions or construction; provided, however,
34 that loans issued in response to a joint application shall not exceed
35 the lesser of [five hundred twenty-five] SEVEN HUNDRED FIFTY thousand
36 dollars or seventy-five percent of the cost of the construction, or be
37 used for the payment of fees for design, planning, preparation of appli-
38 cations or other costs not directly attributable to land acquisitions or
39 construction.

40 (viii) Construction costs associated with the establishment of facili-
41 ties for the purpose of live fire training. A loan for this purpose
42 shall not be granted if another live fire training facility is located
43 within the boundaries of the county or within twenty-five miles. A loan
44 for this purpose shall not exceed the lesser of [one hundred fifty] TWO
45 HUNDRED FIFTY thousand dollars or seventy-five percent of the cost of
46 construction, provided, however, joint applications shall not exceed the
47 lesser of [two hundred sixty-five] FOUR HUNDRED thousand dollars or
48 seventy-five percent of the cost of construction or be used for the
49 payment of fees for design, planning, preparation of applications or
50 other costs not directly attributable to land acquisitions or
51 construction.

52 S 2. Subparagraph (ii) of paragraph (c) of subdivision 5 of section
53 97-pp of the state finance law, as amended by section 30 of part B of
54 chapter 56 of the laws of 2010, is amended to read as follows:

55 (ii) In making determinations on loan applications, the commissioner
56 of the division of homeland security and emergency services shall assure

1 that loan fund moneys are equitably distributed among all sectors of the
2 emergency services community and all geographical areas of the state.
3 Loans for the purpose of personal protective firefighting equipment
4 shall be given preference for a period of two years from the date the
5 first loan is made. Not less than fifty percent of the loans annually
6 made shall be made to applicants whose fire protection or ambulance
7 service is provided by a fire department or ambulance service whose
8 membership is comprised exclusively of volunteers and whose budget for
9 the fiscal year immediately preceding did not exceed [one hundred] TWO
10 HUNDRED thousand dollars.
11 S 3. This act shall take effect immediately.
