FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would amend Article 19 of the Retirement and Social Security Law to allow tier 3 and 4 members who have contributed for a period of more than ten (10) years in the New York State and Local Employees' Retirement System, New York State Teachers' Retirement System, New York City Employees' Retirement System, New York City Teachers' Retirement System, or the New York City Board of Education Retirement System to receive an additional month of service credit for each year of service in excess of ten (10) years of service for which such member has contributed. This bill would be deemed to be in effect on June 30, 2013.

Insofar as this bill would affect the New York State and Local Employees' Retirement System, if this bill is enacted, there will be an estimated one time cost of approximately \$374 million. Pursuant to section 25 of the Retirement and Social Security Law, this cost would be borne by the State of New York and would require an itemized appropriation by the State of New York sufficient to pay the cost of the provision. If this cost is amortized over a 5 year period, the cost for the first year, including interest, would be approximately \$86.0 million.
