LBD04180-02-3

This bill would allow eligible educators to deduct up to \$450 annually for the out-of-pocket expenses for school supplies under New York's personal income tax in addition to the existing Federal deduction.

We estimate that this bill would result in a \$1 million revenue loss during SFY 2014-15 and \$3.8 million annually thereafter, if the existing Federal deduction is extended beyond December 31, 2013. Alternatively, if the Federal deduction is not extended, the bill would result in a \$1.7 million revenue loss during SFY 2014-15 and \$6.6 million annually thereafter.

This fiscal note, dated March 14, 2013, was prepared by Scott Palladino, Assistant Deputy Commissioner, Department of Taxation and Finance.
