6 is amended to read as follows:
7 t. Local government performance and efficiency program. (i) (1) Defi-
8 nitions. For the purposes of this [paragraph] SUBPARAGRAPH, "munici-
9 pality" shall mean a county, city, town, or village, but shall not
10 include the individual counties contained in the city of New York.
11 [(ii)] (2) Purpose. [There is hereby established a local government
12 performance and efficiency program.] The purpose of [this program]
13 AWARDS MADE PURSUANT TO THIS SUBPARAGRAPH is to recognize municipalities
14 that have undertaken significant and innovative actions to improve the
15 overall efficiency of governmental operations and produce quantifiable
16 recurring financial savings that reduce the municipal tax burden on
17 residents.
18 [(iii)] (3) Eligibility. All municipalities in New York state are
19 eligible to apply individually or jointly, provided however that if an
20 action was undertaken jointly, municipalities must apply jointly for

22 implemented.

1 [(iv)] (4) Use of awards. Awards received [pursuant to the program]
2 shall be used by municipalities for general municipal purposes.

3 [(v)] (5) Application. The secretary of state shall develop an appli-
4 cation for municipalities seeking to receive awards and a process by
5 which the applications will be evaluated. Such application shall require
6 municipalities to demonstrate how the action for which they have applied
7 has resulted in quantifiable recurring savings, efficiencies, and perma-
8 nent improvements to municipal services. The secretary of state may
9 focus the [program] AWARDS in specific functional service areas, in
10 which case such areas of focus shall be detailed in a request for appli-
11 cations. No application shall be considered for actions that commenced
12 prior to January first, two thousand ten.

13 [(vi)] (6) Awards. The secretary of state may make awards to appli-
14 cants based on factors including, but not limited to, the amount of
15 current and future savings, the impact of such action upon the municipal
16 property tax levy, the size and complexity of the action, and the abili-

18 only be made to municipalities for actions that have been fully imple-
19 mented, that clearly resulted in quantifiable savings and efficiencies,
20 and that produced permanent and quantifiable improvements to municipal
21 efficiency or services. The maximum amount awarded per application shall
22 not exceed the lesser of five million dollars or twenty-five dollars per
23 resident of the applying municipalities as of the most recent federal
24 decennial census, provided, however, that if the boundaries of munici-
25 palities jointly applying for such funding overlap, the residents in
26 overlapping areas shall only be counted once, and provided, further,
27 that if a county jointly applies with some but not all of the other
28 municipalities therein, only the residents in such other municipalities
29 shall be counted.

30 [(vii)] (7) Written notice shall be provided to an applicant of a
31 decision regarding the grant or denial of an award under this paragraph,
32 within thirty days after such decision.
