Introduced by M. of A. PERRY -- read once and referred to the Committee  
on Higher Education

AN ACT to amend the education law, the limited liability company law and  
the partnership law, in relation to the practice of naturopathy; and  
to amend the social services law, in relation to the reporting of  
child abuse

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-  
BLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative intent. In order to protect the public health,  
2     safety and welfare of the citizens who desire naturopathic care, the  
3     legislature finds it is necessary to regulate the practice of naturopa-  
4     thy by providing licensure for qualified practitioners. It is the legis-  
5     lature's intent that only practitioners who meet and maintain standards  
6     of competence are recognized by the public as licensed naturopaths. The  
7     legislature recognizes that, unlike other currently licensed  
8     professions, naturopathic doctors are formally educated in the use of  
9     natural therapies, natural substances and pharmacological substances for  
10    common health conditions and disease prevention. Naturopaths serve the  
11    public as experts in drug/nutrient and drug/herb interactions.

12    S 2. The education law is amended by adding a new article 132-A to
