AN ACT establishing a moratorium on the department of environmental conservation's plan to declare mute swans a "prohibited invasive species"; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Prior to the adoption of any management plan for mute swans (cygnus olor), a bird species for which the Atlantic flyway council has issued a draft management plan, the department of environmental conservation shall, after the effective date of this act, at a minimum, hold not less than two public hearings in areas with mute swan populations, following adequate public notice, and, after the last of such public hearings, include a public comment period of not less than forty-five days. Any such management plan shall at a minimum:

- (a) give priority to non-lethal management techniques;
- 10 (b) fully document the scientific basis for future population projec-11 tions;
- 12 (c) fully document the scientific basis for current and projected 13 environmental damage;
 - (d) include a public education component; and
