LBD14175-02-4

If this legislation is enacted during the 2014 legislative session, we anticipate that there will be an increase in the annual contributions of Nassau County of approximately \$240,000 for the fiscal year ending March 31, 2015.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$1.14 million which would be borne by the Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2015.

These estimated costs are based on 1134 sheriffs, undersheriffs, deputy sheriffs and correction officers employed by Nassau County with a total estimated annual salary of approximately \$111 million for the fiscal year ending March 31, 2013.
