S 20. Article 29-D of the public health law is amended by adding a new title 1-A to read as follows:

TITLE 1-A
SAFE PATIENT HANDLING

SECTION 2997-G. LEGISLATIVE INTENT.

2997-H. DEFINITIONS.

2997-I. SAFE PATIENT HANDLING WORKGROUP.

2997-J. DISSEMINATION OF BEST PRACTICES, EXAMPLES OF SAMPLE SAFE PATIENT HANDLING POLICIES AND OTHER RESOURCES AND TOOLS.

2997-K. SAFE PATIENT HANDLING COMMITTEES; PROGRAMS.

2997-L. ACTIVITIES.

S 2997-G. LEGISLATIVE INTENT. THE LEGISLATURE HEREBY FINDS AND DECLARES THAT IT IS IN THE PUBLIC INTEREST FOR HEALTH CARE FACILITIES TO IMPLEMENT SAFE PATIENT HANDLING POLICIES. THERE ARE MANY BENEFITS THAT CAN BE DERIVED FROM SAFE PATIENT HANDLING PROGRAMS. PATIENTS BENEFIT THROUGH IMPROVED QUALITY OF CARE AND QUALITY OF LIFE BY REDUCING THE RISK OF INJURY. CAREGivers ALSO BENEFIT FROM THE REDUCED RISK OF CAREER ENDING AND DEBILITATING INJURIES LEADING TO INCREASED MORALE, IMPROVED JOB SATISFACTION, AND LONGEVITY IN THE PROFESSION. HEALTH CARE FACILITIES MAY REALIZE A RETURN ON THEIR INVESTMENT THROUGH REDUCED WORKERS' COMPENSATION MEDICAL AND INDEMNITY COSTS, REDUCED LOST WORKDAYS, AND IMPROVED RECRUITMENT AND RETENTION OF CAREGivers. ALL OF THIS COULD LEAD TO FISCAL IMPROVEMENT IN HEALTH CARE IN NEW YORK STATE.

S 21. Section 40 of chapter 266 of the laws of 1986, amending the civil practice law and rules and other laws relating to malpractice and professional medical conduct, as amended by section 18 of part C of chapter 59 of the laws of 2011, is amended to read as follows:

S 40. The superintendent of insurance shall establish rates for policies providing coverage for physicians and surgeons medical malpractice for the periods commencing July 1, 1985 and ending June 30, [2014] 2015; provided, however, that notwithstanding any other provision of law, the superintendent shall not establish or approve any increase in rates for the period commencing July 1, 2009 and ending June 30, 2010. The superintendent shall direct insurers to establish segregated accounts for premiums, payments, reserves and investment income attributable to such premium periods and shall require periodic reports by the insurers regarding claims and expenses attributable to such periods to monitor
whether such accounts will be sufficient to meet incurred claims and
expenses. On or after July 1, 1989, the superintendent shall impose a
surcharge on premiums to satisfy a projected deficiency that is attrib-
utable to the premium levels established pursuant to this section for
such periods; provided, however, that such annual surcharge shall not
exceed eight percent of the established rate until July 1, [2014] 2015,
at which time and thereafter such surcharge shall not exceed twenty-five
percent of the approved adequate rate, and that such annual surcharges
shall continue for such period of time as shall be sufficient to satisfy
such deficiency. The superintendent shall not impose such surcharge
during the period commencing July 1, 2009 and ending June 30, 2010. On
and after July 1, 1989, the surcharge prescribed by this section shall
be retained by insurers to the extent that they insured physicians and
surgeons during the July 1, 1985 through June 30, [2014] 2015 policy
periods; in the event and to the extent physicians and surgeons were
insured by another insurer during such periods, all or a pro rata share
of the surcharge, as the case may be, shall be remitted to such other
insurer in accordance with rules and regulations to be promulgated by
the superintendent. Surcharges collected from physicians and surgeons
who were not insured during such policy periods shall be apportioned
among all insurers in proportion to the premium written by each insurer
during such policy periods; if a physician or surgeon was insured by an
insurer subject to rates established by the superintendent during such
coverage period, and at any time thereafter a hospital, health mainte-
nance organization, employer or institution is responsible for respond-
ing in damages for liability arising out of such physician's or
surgeon's practice of medicine, such responsible entity shall also remit
to such prior insurer the equivalent amount that would then be collected
as a surcharge if the physician or surgeon had continued to remain
insured by such prior insurer. In the event any insurer that provided
coverage during such policy periods is in liquidation, the
property/casualty insurance security fund shall receive the portion of
surcharges to which the insurer in liquidation would have been entitled.
The surcharges authorized herein shall be deemed to be income earned for
the purposes of section 2303 of the insurance law. The superintendent,
in establishing adequate rates and in determining any projected defi-
ciency pursuant to the requirements of this section and the insurance
law, shall give substantial weight, determined in his discretion and
judgment, to the prospective anticipated effect of any regulations
promulgated and laws enacted and the public benefit of stabilizing
malpractice rates and minimizing rate level fluctuation during the peri-
od of time necessary for the development of more reliable statistical
experience as to the efficacy of such laws and regulations affecting
medical, dental or podiatric malpractice enacted or promulgated in 1985,
1986, by this act and at any other time. Notwithstanding any provision
of the insurance law, rates already established and to be established by
the superintendent pursuant to this section are deemed adequate if such
rates would be adequate when taken together with the maximum authorized
annual surcharges to be imposed for a reasonable period of time whether
or not any such annual surcharge has been actually imposed as of the
establishment of such rates.

S 604. CRITERIA FOR DETERMINING A REASONABLE FEE. IN DETERMINING THE
APPROPRIATE AMOUNT TO PAY FOR A HEALTH CARE SERVICE, AN INDEPENDENT
DISPUTE RESOLUTION ENTITY SHALL CONSIDER ALL RELEVANT FACTORS, INCLUDING:

(A) WHETHER THERE IS A GROSS DISPARITY BETWEEN THE FEE CHARGED BY THE
PHYSICIAN FOR SERVICES RENDERED AS COMPARED TO:
(1) Fees paid to the involved physician for the same services rendered by the physician to other patients in health care plans in which the physician is not participating, and

(2) In the case of a dispute involving a health care plan, fees paid by the health care plan to reimburse similarly qualified physicians for the same services in the same region who are not participating with the health care plan;

(B) the level of training, education and experience of the physician;

(C) the physician's usual charge for comparable services with regard to patients in health care plans in which the physician is not participating;

(D) the circumstances and complexity of the particular case, including time and place of the service;

(E) individual patient characteristics; and

(F) the usual and customary cost of the service.

S. 605. Dispute Resolution for Emergency Services. (A) Emergency Services for an Insured. (1) When a health care plan receives a bill for emergency services from a non-participating physician, the health care plan shall pay an amount that it determines is reasonable for the emergency services rendered by the non-participating physician, in accordance with section three thousand two hundred twenty-four-a of the insurance law, except for the insured's co-payment, coinsurance or deductible, if any, and shall ensure that the insured shall incur no greater out-of-pocket costs for the emergency services than the insured would have incurred with a participating physician pursuant to subsection (C) of section three thousand two hundred forty-one of the insurance law.

(2) A non-participating physician or a health care plan may submit a dispute regarding a fee or payment for emergency services for review to an independent dispute resolution entity.

(3) The independent dispute resolution entity shall make a determination within thirty days of receipt of the dispute for review.

(4) In determining a reasonable fee for the services rendered, an independent dispute resolution entity shall select either the health care plan's payment or the non-participating physician's fee. The independent dispute resolution entity determines, based on the health care plan's payment and the non-participating physician's fee, that a settlement between the health care plan and non-participating physician is reasonably likely, or that both the health care plan's payment and the non-participating physician's fee represent unreasonable extremes, then the independent dispute resolution entity may direct both parties to attempt a good faith negotiation for settlement. The health care plan and non-participating physician may be granted up to ten business days for this negotiation, which shall run concurrently with the thirty day period for dispute resolution.

(B) Emergency Services for a Patient That Is Not an Insured. (1) A patient that is not an insured or the patient's physician may submit a dispute regarding a fee for emergency services for review to an independent dispute resolution entity upon approval of the superintendent.

(2) An independent dispute resolution entity shall determine a reasonable fee for the services based upon the same conditions and factors set forth in section six hundred four of this article.
(3) A patient that is not an insured shall not be required to pay the physician's fee in order to be eligible to submit the dispute for review to an independent dispute resolution entity.
(C) The determination of an independent dispute resolution entity shall be binding on the health care plan, physician and patient, and shall be admissible in any court proceeding between the health care plan, physician or patient, or in any administrative proceeding between this state and the physician.

S 606. Hold harmless and assignment of benefits for surprise bills for insureds. When an insured assigns benefits for a surprise bill in writing to a non-participating physician that knows the insured is insured under a health care plan, the non-participating physician shall not bill the insured except for any applicable copayment, coinsurance or deductible that would be owed if the insured utilized a participating physician.

S 607. Dispute resolution for surprise bills. (A) Surprise bill received by an insured who assigns benefits. (1) If an insured assigns benefits to a non-participating physician, the health care plan shall pay the non-participating physician in accordance with paragraphs two and three of this subsection.
(2) The non-participating physician may bill the health care plan for the health care services rendered, and the health care plan shall pay the non-participating physician the billed amount or attempt to negotiate reimbursement with the non-participating physician.
(3) If the health care plan's attempts to negotiate reimbursement for health care services provided by a non-participating physician does not result in a resolution of the payment dispute between the non-participating physician and the health care plan, the health care plan shall pay the non-participating physician an amount the health care plan determines is reasonable for the health care services rendered, except for the insured's copayment, coinsurance or deductible, in accordance with section three thousand two hundred twenty-four-a of the insurance law.
(4) Either the health care plan or the non-participating physician may submit the dispute regarding the surprise bill for review to an independent dispute resolution entity, provided however, the health care plan may not submit the dispute unless it has complied with the requirements of paragraphs one, two and three of this subsection.
(5) The independent dispute resolution entity shall make a determination within thirty days of receipt of the dispute for review.
(6) When determining a reasonable fee for the services rendered, the independent dispute resolution entity shall select either the health care plan's payment or the non-participating physician's fee. An independent dispute resolution entity shall determine which amount to select based upon the conditions and factors set forth in section six hundred four of this article. If an independent dispute resolution entity determines, based on the health care plan's payment and the non-participating physician's fee, that a settlement between the health care plan and non-participating physician is reasonably likely, or that both the health care plan's payment and the non-participating physician's fee represent unreasonable extremes, then the independent dispute resolution entity may direct both parties to attempt a good faith negotiation for settlement. The health care plan and non-participating physician may be granted up to ten business days for this negotiation, which shall run concurrently with the thirty day period for dispute resolution.
(B) SURPRISE BILL RECEIVED BY AN INSURED WHO DOES NOT ASSIGN BENEFITS OR BY A PATIENT WHO IS NOT AN INSURED. (1) AN INSURED WHO DOES NOT ASSIGN BENEFITS IN ACCORDANCE WITH SUBSECTION (A) OF THIS SECTION OR A PATIENT WHO IS NOT AN INSURED AND WHO RECEIVES A SURPRISE BILL MAY SUBMIT A DISPUTE REGARDING THE SURPRISE BILL FOR REVIEW TO AN INDEPENDENT DISPUTE RESOLUTION ENTITY.

(2) THE INDEPENDENT DISPUTE RESOLUTION ENTITY SHALL DETERMINE A REASONABLE FEE FOR THE SERVICES RENDERED BASED UPON THE CONDITIONS AND FACTORS SET FORTH IN SECTION SIX HUNDRED FOUR OF THIS ARTICLE.

(3) A PATIENT OR INSURED WHO DOES NOT ASSIGN BENEFITS IN ACCORDANCE WITH SUBSECTION (A) OF THIS SECTION SHALL NOT BE REQUIRED TO PAY THE PHYSICIAN'S FEE TO BE ELIGIBLE TO SUBMIT THE DISPUTE FOR REVIEW TO THE INDEPENDENT DISPUTE ENTITY.

(C) THE DETERMINATION OF AN INDEPENDENT DISPUTE RESOLUTION ENTITY SHALL BE BINDING ON THE PATIENT, PHYSICIAN AND HEALTH CARE PLAN, AND SHALL BE ADMISSIBLE IN ANY COURT PROCEEDING BETWEEN THE PATIENT OR INSURED, PHYSICIAN OR HEALTH CARE PLAN, OR IN ANY ADMINISTRATIVE PROCEEDING BETWEEN THIS STATE AND THE PHYSICIAN.

S 608. PAYMENT FOR INDEPENDENT DISPUTE RESOLUTION ENTITY. (A) FOR DISPUTES INVOLVING AN INSURED, WHEN THE INDEPENDENT DISPUTE RESOLUTION ENTITY DETERMINES THE HEALTH CARE PLAN'S PAYMENT IS REASONABLE, PAYMENT FOR THE DISPUTE RESOLUTION PROCESS SHALL BE THE RESPONSIBILITY OF THE NON-PARTICIPATING PHYSICIAN. WHEN THE INDEPENDENT DISPUTE RESOLUTION ENTITY DETERMINES THE NON-PARTICIPATING PHYSICIAN'S FEE IS REASONABLE, PAYMENT FOR THE DISPUTE RESOLUTION PROCESS SHALL BE THE RESPONSIBILITY OF THE HEALTH CARE PLAN. WHEN A GOOD FAITH NEGOTIATION DIRECTED BY THE INDEPENDENT DISPUTE RESOLUTION ENTITY PURSUANT TO PARAGRAPH FOUR OF SUBSECTION (A) OF SECTION SIX HUNDRED FIVE OF THIS ARTICLE, OR PARAGRAPH SIX OF SUBSECTION (A) OF SECTION SIX HUNDRED SEVEN OF THIS ARTICLE RESULTS IN A SETTLEMENT BETWEEN THE HEALTH CARE PLAN AND NON-PARTICIPATING PHYSICIAN, THE HEALTH CARE PLAN AND THE NON-PARTICIPATING PHYSICIAN SHALL EVENLY DIVIDE AND SHARE THE PRORATED COST FOR DISPUTE RESOLUTION.

(B) FOR DISPUTES INVOLVING A PATIENT THAT IS NOT AN INSURED, WHEN THE INDEPENDENT DISPUTE RESOLUTION ENTITY DETERMINES THE PHYSICIAN'S FEE IS REASONABLE, PAYMENT FOR THE DISPUTE RESOLUTION PROCESS SHALL BE THE RESPONSIBILITY OF THE PATIENT UNLESS PAYMENT FOR THE DISPUTE RESOLUTION PROCESS WOULD POSE A HARDSHIP TO THE PATIENT. THE SUPERINTENDENT SHALL PROMULGATE A REGULATION TO DETERMINE PAYMENT FOR THE DISPUTE RESOLUTION PROCESS IN CASES OF HARDSHIP. WHEN THE INDEPENDENT DISPUTE RESOLUTION ENTITY DETERMINES THE PHYSICIAN'S FEE IS UNREASONABLE, PAYMENT FOR THE DISPUTE RESOLUTION PROCESS SHALL BE THE RESPONSIBILITY OF THE PHYSICIAN.

   a. current physician charges for out-of-network services;
   b. trends in medical care and the actual costs of medical care;
   c. regional differences regarding medical costs and trends;

   e. the current in-network rates paid by health plans, including insurers, HMOs, Medicare and Medicaid for the same service and by the same provider;
   f. the impact different rate methodologies would have on out-of-pocket costs for consumers who access out-of-network services;
   g. the impact different rate methodologies would have on premium costs in different regions of the state;
   h. reimbursement data from all health plans both public and private as well as charge data from medical professionals and hospitals available through the All Payer Database as developed and maintained by the department of health including data provided in the annual report published pursuant to section 2816 of the public health law; and
   i. other issues deemed appropriate by either the superintendent of the department of financial services or the commissioner of the department of health.

3. The workgroup shall review out-of-network coverage in the individual and small group markets and make recommendations regarding the availability and adequacy of the coverage, taking into consideration the following factors:
   a. the extent to which out-of-network coverage is available in each rating region in this state;
   b. the extent to which a significant level of out-of-network benefits is available in every rating region in this state, including the prevalence of coverage based on the usual and customary cost as well as coverage based on other set reimbursement methodologies, such as Medicare; and
   c. other issues deemed appropriate by either the superintendent of the department of financial services or the commissioner of the department of health.

4. The workgroup shall report its findings and make recommendations for legislation and regulations to the governor, the speaker of the assembly, the senate majority leader, the chairs of the insurance and health committees in both the assembly and the senate, and the super-
intendent of the department of financial services no later than January 1, 2016.

S 29. This act shall take effect one year after it shall have become a law, provided, however, that:
1. if the amendments by chapter 514 of the laws of 2013 made to subsection (b) of section 4903 of the insurance law and subdivision 2 of section 4903 of the public health law, as amended by sections twelve and twenty-two of this act, respectively, take effect after such date, then sections twelve and twenty-two of this act shall take effect on the same date as chapter 514 of the laws of 2013 takes effect;
